Dear Dr. Martin,

I would like to take this opportunity to thank you for allowing my daughter, Kiara Miranda, to attend Union Public Schools. She has shown remarkable improvements since joining Kawameeh Middle School, 6th grade class. I will like to request one more time that my daughter continues attending Kawameeh Middle School. She would be entering the 2012-2013 academic year in the 7th grade.

I know that by continuing in Kawameeh Middle School she will continue to grow academically and have many options available to her. My family and I will like to thank you for all you have done.

Sincerely,

RE: Enrollment in Kawameeh Middle School 7th Grade

You have requested that your daughter, Kiara, be permitted to attend Kawameeh Middle School for 7th grade for the 2012-2013 school year. You have requested this on the basis that you are an employee of the Township of Union Public School District. You informed Dr. Martin that your family does not reside in Union, NJ.

Dr. Martin will recommend to the Township of Union Public School Board of Education at their public meeting on April 24, 2012, that Kiara be permitted to attend 7th grade at Kawameeh Middle School for the 2012-2013 school year.

First, we want to sincerely thank you and the board of education for allowing our boys to attend the fine schools of Union. This letter is to serve as our formal request for our sons, Cavan Matthews and Thomas Owen Matthews, to be allowed to attend Connecticut Farms School for the 2012-2013 school year. Thomas Owen will be in the first grade next year while Cavan will be in the third grade. Please do not hesitate to contact us should you have any questions or concerns. Thank you very much for your consideration in this matter.
