Subject: Add tot he agenda for Tuesday- January 15, 2012

Pat,

I am sorry this is so late.. but athletics was just notified...

Gold's Gym in Garwood New Jersey would like to donate... with the approval of the board15 pieces of strength training equipment all less than 4 years old. Linda Ionta was contacted by Gold's today that their new equipment is being delivered to the gym tomorrow and they will need the older equipment removed by the end of day January 15, 2013. Gold's Gym is willing to deliver the equipment to Union High School to then be distributed between UHS, KMS and BMS once a proper place is located.

Thanks,
Noreen
