Dear Ms. Parsons:

As per the Lake Drive school contract, which your district received, our tuition does not include the cost of extracurricular interpreting services.

At this time, the surcharge for J. D. current extracurricular sports participation in the winter is anticipated to be \$8,000. The charges are based on the number of hours provided for the student. Please be assured that this surcharge will not exceed this anticipated amount for this particular extracurricular activity.

Sincerely,

Kathleen M. Richter
