Dear Dr. Martin:

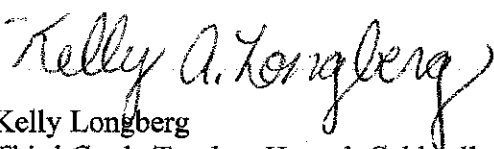

I am writing this letter to request an extension to my maternity leave for the purpose of child rearing. I am requesting a leave of absence, using unpaid sick days, beginning on Monday, December 3, 2012 and continuing throughout the remainder of the 2012-2013 school-year.

Currently, my son Tyler commutes with me each morning from Old Bridge to his babysitter in Union. He is having a difficult time handling the long commute through traffic as he is vomiting in the car daily due to motion sickness. Also, he refuses to take milk from the babysitter. Since his weight is on the low side for his age, it is necessary that he consumes an appropriate amount of milk each day. My husband and I have explored other childcare options, finding that they would not be suitable to our family's needs. The childcare centers near my home do not open early enough to allow time to drop my son off and still arrive at work on time. We also looked into in-home childcare, finding that we could not afford the rates being asked.

It is necessary for my leave to take place as soon as possible due to the reasons indicated above. This time frame would allow me to finish out the marking period with my students and post grades. A replacement teacher could begin fresh with a new marking period, making the transition a little easier for the students, parents, and teacher.

If you have any questions regarding my request please contact me at (908) 432-6582. I appreciate your prompt and accurate response to my request.

RE: TYLER LONGBERG

To whom it may concern:

Tyler suffers from motion sickness. He vomits daily in the car ride to daycare. He also refuses to have milk from anyone other than his Mom. On top of it he is not gaining weight.

It is necessary for mom to take a leave of absence from work to help Tyler gain weight.

Dear Dr. Martin,

I am currently on a maternity/disability leave that was put into effect on October 19, 2012. I have intended to use my accumulated sick days and then be placed on an unpaid leave of absence in accordance with the New Jersey Family Leave Act.

I am requesting to extend my leave until the end of the 2012-2013 school year. I plan to return to work for the beginning of the 2013-2014 school year.

Thank you for your consideration during this time.

Very truly yours,

Doreen Sahr

Mr. Ray Perkins:

We will be hosting the Union County Wrestling Tournament on Saturday, January 19, 2013. As in the past, the fees for the rental of the building along with custodial fees for that Saturday had been waived by the Board of Education. The UCIAC is asking for the Board of Education to once again waive these fees for the 2013 Tournament.

We are also hosting the Region 3 State Wrestling Tournament on Wednesday evening, February 27th, Friday evening March 1st, and Saturday all day March 2, 2013. In the past, the Board of Education has waived the fee for the rental of the building for the entire tournament. Since the tournament takes place on Wednesday and Friday evening, the night custodians will clean the facility when the event is completed. The Saturday rental fee was also waived but the State paid our custodians at a rate of \$170.00 for the lead custodian who was on from 6:00 a.m. to 3:00 p.m. and \$160.00 each for three custodians to come in at 3:00 p.m. to clean and close the building upon completion of the tournament.

The NJSIAA once again has asked that all rental fees be waived for the tournament; they will continue to pay the custodians as they have in the past for Saturday.

I hope this meets with your approval, please let me know as soon as possible so that I can relay the information to the UCIAC and the NJSIAA. Thank you for your consideration.

Sincerely yours,

Linda Ionta
