Dear Dr. Martin,

The Union Township Historical Society would like to make a gift of a display case to Union High School. With the display case situated near the entrance of the Union High School library students would be able to see memorabilia of Union High School's distinguished and illustrious past. In the future, different displays of the town of Union's past could be presented to Union High School students. It is the Society's mission to preserve our past and to make it available to the public.

This has already been discussed with the librarian and mentioned to the school principal.

The society has already presented Mr. Gibbons with a beautiful banner of Union High School which we trust will be displayed or used appropriately.

The Society has two additional display cases that are available if the district would have need of them.

Sincerely,

David Arminio,
President
