Dr. Patrick Martin
Superintendent of Schools
Union Township Board of Education
2369 Morris Avenue
Union, New Jersey 07083

Dear Dr. Martin:

I was honored to have been selected to serve as the principal of the new Central Five-Jefferson School and appreciate the confidence that you and others have expressed in my ability to be at the helm of this "state of the art" educational facility. Although I served as the principal of Central Five for five years prior to the school's closure in June 2011, I didn't anticipate being offered the position and responded affirmatively without careful consideration of the same. The thought of being the first principal of such a new and beautiful school was, indeed, very exciting.

Having served as the Principal of Livingston School for the past two years, I believe I have succeeded in establishing a positive learning environment for our students as well as a supportive working environment for the staff. I have also managed to gain the trust and respect of parents, as most realize that my foremost concern is the safety and well being of their children. I have found it to be particularly rewarding to once again work in a PreK through Grade 4 school setting, being able to see the educational growth and social development of children from year to year. Considering all of the above, I respectfully request to remain in my current position as Principal of Livingston School. I hope to be able to continue to build upon the many positive things that are happening at our school.

Please be assured that I am ready, willing, and able to provide guidance and support to whomever should be selected to serve as the first principal of the new Central Five-Jefferson School.

Thank you for your understanding.

Sincerely,

Thomas Tsirikos
Principal
