RE: Approval for Interpreter for Jefferson, Burnet & Kawameeh  
DATE: May 14, 2014

I am resubmitting for Board Approval the name of Monica Rodriguez-Nativo, the certified sign language interpreter, for parents who are legally deaf. Her services will again be needed for the upcoming school year, 2014-2015, for parent conferences and school activities for three (3) children. Matthew Sarsfield will be attending Kawameeh. Lauren Freitas will be attending Burnet. Nicholas Sarsfield will be attending Jefferson.

The documentation for Mrs. Nativo was previously submitted when she was approved for the last four school years.

We are again requesting her approval with projected hours, day rate, at \$175.00 for two (2) hours, not to exceed \$2400.00 for the school year. Her evening rate is \$175.00 for two (2) hours, not to exceed \$350.00. She is waiving her traveling fees. We are also requesting that she be able to provide a team member from her company at additional cost to the district, should an occasion arise where it would be so needed (example: school shows because of time constraints).
