

Annual Boiler Burner Cleaning and Inspection of all Township of Union Board of Education Owned Boilers

The undersigned proposes to furnish the material, including delivery, as specified on the attached unit price list and in strict accordance with the manufacturer's specifications. All repairs shall be unconditionally guaranteed for a period of sixty (60) days from the date of repair and shall include all parts and labor.

Bids shall be compared for award purpose based upon a total of all extended prices. Estimated quantities are estimates only for bidding purposes. The Board of Education reserves the right to award amounts and quantities in its best interest less than the estimated quantity or up to the maximum quantity.

Comparison of bids and award shall be based upon the regular time rate, overtime rate, and the cost of parts. Bids/Performance Bonds and Consent of Surety shall be based on 10% of the total of Part 3 of the bid but in no case in excess of \$20,000.
