Re:

Jefferson – Central 5 Project

Patock PCO # 001 Dewatering

Dear Brian:

Pursuant to your request, Patock Construction offers the following proposal:

Proposal:

Supply and labor and equipment required to over-excavate and dewater footing and foundations. Cost of pumps not included.

Cost:

Four Thousand Eight Hundred Nineteen and 65/100 Dollars (\$ 4,819.65) Zero (0) day(s) time extension required.

Exclusions/Clarifications:

• Any items not specifically noted above or within attached breakdowns are excluded.

I have attached detailed breakdown of the proposal for your review and acceptance. Please feel free to contact me at your convenience with any questions your might have regarding the above. Should you find the above proposal acceptable, please issue a change order authorizing Patock Construction Co. to proceed.

Best Regards.

J. Todd Maklary
Project Manager

Jefferson – Central 5 Project

Patock PCO # 010 Concrete floor leveling

Dear Brian:

Pursuant to your request, Patock Construction offers the following proposal:

Proposal:

Supply all labor and material required to install approximately 2.5" of concrete subbase in areas where asbestos leveling was removed from existing building.

Cost:

Six Thousand Seven Hundred Four and 00/100 Dollars (\$ 6,704.00) Four (4) day(s) time extension required.

Exclusions/Clarifications:

- Any items not specifically noted above or within attached breakdowns are excluded.
- Shop Drawings

I have attached detailed breakdown of the proposal for your review and acceptance. Please feel free to contact me at your convenience with any questions your might have regarding the above. Should you find the above proposal acceptable, please issue a change order authorizing Patock Construction Co. to proceed. This proposal is valid for (10) days from date of issue.

J. Todd Maklary

Re:

Jefferson – Central 5 Project

Patock PCO # 012 Roofing Credit

Dear Brian:

Pursuant to your request, Patock Construction offers the following proposal:

Proposal:

Supply all labor and material required to provide Garland Versiply Mineral cap sheet in lieu of specified stone covering at proposed addition.

Cost:

CREDIT: Ten Thousand One Hundred Twenty-Five and 00/100 Dollars (\$ 10,125.00) Zero (0) day(s) time extension required.

Exclusions/Clarifications:

- Any items not specifically noted above or within attached breakdowns are excluded.
- Shop Drawings

I have attached detailed breakdown of the proposal for your review and acceptance. Please feel free to contact me at your convenience with any questions your might have regarding the above. Should you find the above proposal acceptable, please issue a change order authorizing Patock Construction Co. to proceed. This proposal is valid for (10) days from date of issue.

Best Regards,

J. Todd Maklary

Project Manager

Attn: Mr. Todd Maklary

Central 5 - Jefferson School

Union, NJ

Gentlemen:

We are pleased to provide you with the following credit amount, pending the direction in which we are given to proceed with one mineral cap sheet in place of the stone covering on the above referenced project.

- If Garland's Stressply Plus FR Mineral is approved, than a credit in the amount of Four Thousand Seventeen Dollars and Sixty Cents (\$4,017.60) will be issued.
- 2. If Garland Versiply Mineral is approved, then a credit in the mount of Ten Thousand One Hundred and Twenty Five Dollars and Zero Cents (\$10,125.00) will be issued.

Please advise us as how we are to proceed so that price sensitive materials can be ordered to avoid quarterly prices increases. Thank you.

Very truly yours,

ADVANCED ROOFING & SHEET METAL CO., INC.
