Good morning Dr. Martin:

Attached are the specs and cost of the playground for Franklin School. We have raised approximately \$30,000 and are all set to sign the contract after board approval. The goal is to have the playground up by the end of August. Gametime company will need 30 days to process the order and will begin construction soon after. Construction time will take approximately 1-2 weeks depending on the weather.

The playground will include maintenance free, poured in rubber surfacing with enough space allotted to expand the playground over the next couple of years.

Due to the projected placement of the playground, the gate opening for deliveries will have to be relocated.

Please let me know if you need any further information.

Thank you,

Corey Lowery

Corey,

Per our meeting earlier this week, please find the attached proposals for supply and installation of a new playground. The total came in just under \$30k. Please let me know if you have any questions.
