Re: Board Approval Request

Date: April 5, 2017

=====

Please present for Board approval the following recommendation.

The Athletic Department would like to have a Volleyball Tournament on April 29th or in May to be determined. Our Head Varsity Coach Cesar Vega would be in charge of supervising, organizing and scheduling the event. It would be only adults registering to participate with a minimal fee that would go towards the Volleyball fund-raising. We would like to hold this event in the main gym.

Your anticipated consideration is appreciated.

Linda Ionta
