Approve an increase to PO#18-01211 with Isabel Carotenuto, MD to provide Neurology evaluation services for the 2017 – 2018 school year from \$6,000.00 to \$9,200.00. This increase is necessary as a result of student need.

In the spring of 2017 when this service was board approved for the 2017-2018 school year, we had incurred fifteen evaluations. Although the 2017-2018 budgeted amount of \$6,000 equaled the current amount expended, it appeared reasonable since another service provider had recently been obtained to accommodate the increase in district need.

To date we have incurred a twenty-two percent increase in the cost of neurology evaluations over last year. Therefore, this increase is required to address student need.
