To whom it may concern,

The Mayor and Committee of the Township of Union are committed to providing experiences to our residents that not only bring them together, but also get them outdoors to stay active and enjoy the ambiance of our area that is uniquely Union.

Along these lines, last year we hosted our first annual 5k and Food Truck event together with Union High School to benefit Project Graduation- the annual alcohol, drug and tobacco free celebration for graduating seniors given on graduation night.

The event featured a night-time, glow-in-the-dark, 5k and food truck festival that brought out thousands of people to enjoy the day.

This year we are renewing our partnership with Union High School and are hoping to make the celebration bigger and better by bringing The Great Inflatable Race- a family-friendly, bouncy, fun-run right here to Union.

We would like to request permission to utilize the Union High School Football Field and Track for a portion of our fun-run. Please see the attached poster with all of the pertinent details.

Should you have any questions, please feel free to contact me at 908-851-5096 or via email at npineiro@uniontownship.com

Warm Regards,

Subject: Resolution needed for field and parking lot usage for Race and Food Truck Festival
Attachments: Athletic Ok.jpg; Athletic Ok 2.jpg; Letter for Track.docx; Food Truck Poster.jpg

Good afternoon,

I spoke with Mr. Benaquista about using some of the Township schools' fields and parking lots on Saturday, May 12th for the Great Inflatable Race and Food Truck Festival. Mr. Benaquista said that I needed to have you put together a resolution for that.

The Township of Union and the Union High School Senior Class have joined together to host this event to benefit the UHS senior class, project graduation, prom, and senior trip. Attached is one of the event fliers, a letter from the town describing the partnership and the event, and the OK from our athletic department. Ms. Ionta signed the event layout so I've attached both the front and the back of that document.

We are requesting use of the main turf field, the practice field, one of the UHS baseball fields, the administration building parking lot, all UHS parking lots, and the Hannah Caldwell parking lot. I believe all needed documents are attached.

Mr. Eichert will be coming to the administration building this afternoon with other paperwork for the senior class so you can email me or see him with any questions or concerns.

As always, thank you so much for your help!!!
