Subject: Award of SSB-NPFA Program Grant

Dear Isabella Scocoza :

Thank you for applying to the *School and Small Business Non-Compliant Plumbing Fixture and Appliance Program* (SSB-NPFA), program managed by TRC on behalf of the New Jersey Board of Public Utilities. We are pleased to inform you that the project listed below has been awarded a Program Grant based on the information you supplied in support of your application, which includes your Plumbing and Appliance Assessment Report and certified cost estimate. Work must be completed, and supporting documentation received by TRC by the Expiration Date below or else the Program Grant will expire and be cancelled.

BOE office

Application # 68413	Program: SSB-NPFA	Expiration Date: 02/20/2024
Project Name/Location: 2369 Morris Avenue, Union, NJ 07083		
Program Grant Amount: \$25,211.82		

Upon completion of all work funded by a Program Grant, the applicant must document the work performed at each site with a Plumbing/Appliance Verification Report, which must include:

1. The name and address of the school facility or Small Business and person or contractor preparing and certifying the report.
2. Project Invoices, including documentation of installed plumbing fixtures and/or appliances. Invoices must include model number, quantity, and ENERGY STAR rating (if applicable).
3. Verification that the applicant has complied with all applicable program requirements.
4. Self-certification that all work was performed by a licensed professional, including the provision of the professional's name and license.
5. Verification that the equipment installed exceeds current energy efficiency requirements required by code and the submission of manufacturer specification sheets and supporting documents of qualification.
6. Any and all other documentation as identified in the Program Guide or through subsequent communication with us.

The Program Grant Amount listed above is based upon the information provided in your approved application; however, the amount actually paid will be limited to the lesser of the amount supported by (a) the Verification Report and/or site inspection and (b) the Program Grant Amount listed above.

Please refer to the Program Guide and Application Package for additional information. If you have any questions, please contact the undersigned at 732-855-0033.

Very truly yours,

Geoff Horvath
Program Manager

Union, NJ 07083

Subject: Award of SSB-NPFA Program Grant

Dear Isabella Scocozza :

Thank you for applying to the *School and Small Business Non-Compliant Plumbing Fixture and Appliance Program* (SSB-NPFA), program managed by TRC on behalf of the New Jersey Board of Public Utilities. We are pleased to inform you that the project listed below has been awarded a Program Grant based on the information you supplied in support of your application, which includes your Plumbing and Appliance Assessment Report and certified cost estimate. Work must be completed, and supporting documentation received by TRC by the Expiration Date below or else the Program Grant will expire and be cancelled.

Battle Hill

Application # 68403	Program: SSB-NPFA	Expiration Date: 02/20/2024
Project Name/Location: 2600 Killian Place, Union, NJ 07083		
Program Grant Amount: \$95,205.63		

Upon completion of all work funded by a Program Grant, the applicant must document the work performed at each site with a Plumbing/Appliance Verification Report, which must include:

1. The name and address of the school facility or Small Business and person or contractor preparing and certifying the report.
2. Project Invoices, including documentation of installed plumbing fixtures and/or appliances. Invoices must include model number, quantity, and ENERGY STAR rating (if applicable).
3. Verification that the applicant has complied with all applicable program requirements.
4. Self-certification that all work was performed by a licensed professional, including the provision of the professional's name and license.
5. Verification that the equipment installed exceeds current energy efficiency requirements required by code and the submission of manufacturer specification sheets and supporting documents of qualification.
6. Any and all other documentation as identified in the Program Guide or through subsequent communication with us.

The Program Grant Amount listed above is based upon the information provided in your approved application; however, the amount actually paid will be limited to the lesser of the amount supported by (a) the Verification Report and/or site inspection and (b) the Program Grant Amount listed above.

Please refer to the Program Guide and Application Package for additional information. If you have any questions, please contact the undersigned at 732-855-0033.

Very truly yours,

Geoff Horvath
Program Manager
