Cohen	Jeremy	Multi-Tiered Systems of Support Summit	5/5/2023	FEA Headquarters - Monroe NJ	This year's Summit will offer a deeper dive into implementation of the major components of multi-tiered frameworks for academic and social emotional wellness interventions (MTSS and RTI). In collaboration with the Rutgers Center for Effective School Practices, FEA is bringing together researchers, superintendents, principals and school and district teams to present the latest research and strategies for maximizing student achievement and social emotional wellness using a three-tiered intervention model. Strengthening core components such as universal screening, progress monitoring, instruction and interventions, team collaboration, and family and community partnerships, at the elementary, middle and high school levels, will be the focus.	0	4/18/2023
