

TOWNSHIP OF UNION PUBLIC SCHOOLS

United States History I

August 20, 2019

Mission Statement

The mission of the Township of Union Public Schools is to build on the foundations of honesty, excellence, integrity, strong family, and community partnerships. We promote a supportive learning environment where every student is challenged, inspired, empowered, and respected as diverse learners. Through cultivation of students' intellectual curiosity, skills and knowledge, our students can achieve academically and socially, and contribute as responsible and productive citizens of our global community.

Philosophy Statement

The Township of Union Public School District, as a societal agency, reflects democratic ideals and concepts through its educational practices. It is the belief of the Board of Education that a primary function of the Township of Union Public School System is to formulate a learning climate conducive to the needs of all students in general, providing therein for individual differences. The school operates as a partner with the home and community.

Course Description

This course traces the history of the United States from the Colonial period to the end of the Progressive Era, including WWI. All students will acquire knowledge of the time period discussing and analyzing interactions of people, cultures, and environment. Students will be immersed in research methods, and critical thinking techniques to demonstrate how the above-mentioned periods shaped the United States and our relations within the global community. Such knowledge and skills will enable students to make informed decisions that reflect core democratic values as productive citizens in local, national, and global communities.

A heavy emphasis has been put on communication skills, both writing and speaking. Students will also analyze charts, graphs, and maps. Skills needed to be successful in workplace environments will be applied in the form of objective reasoning, listening, and problem solving.
