2018-2019

DC Fagan Psychological Services and Fees

Fee schedule:

- | | |
|--|-----------------|
| • General case Consultation | \$200 per hour |
| • Testing Follow-up Consultation/ IEP meeting | \$200 per hour |
| • School Consultation/Observation | \$200 per hour |
| • IQ Testing (WISC-V, SB 5, WJ Cog IV, DAS)* | \$500 -750 |
| • Achievement Testing (WIAT-III, WJ IV or specific area tests)* | \$750 - 850 |
| • Standard Psychoeducational
(IQ, Achievement and questionnaires) | \$1,500 |
| • IQ/Extended Achievement Battery
(IQ, Achievement, plus one specific neuropsychological area –
attention, memory, executive functioning) | \$1,500 – 2,400 |
| • Computer Attention Testing | \$300 |
| • Neuropsychological Testing (includes school observation, 3-4 test sessions)**
Dyslexia, Dysgraphia, or Dyscalculia Testing***
(Does not include participation in IEP which would be billed separately) | \$3,000 – 4,500 |
| • Court Testimony (includes travel and wait time) | \$300 per hour |
| • Court Preparation (with school or review of report) | \$200 per hour |

Testing can be completed at the school or at the offices in Franklin Lakes. Travel time will be added to cost if more than 15 minutes from Franklin Lakes.

*Costs may vary depending on the amount of testing requested by the school and the complexity of the case. Students age/grade is also considered for pricing. We recommend that you call our offices and describe the schools needs and we can give you a specific cost for that case.

**A comprehensive neuropsychological typically included an IQ, academic, computer attention testing as well as full evaluation of multiple aspects of attention, memory, visual-spatial functioning, language, and executive functioning.

***Testing is generally a full neuropsych which focuses on a specific academic area. Exact pricing is made on a case-by-case basis.
