

## Observation Report – Licensed Athletic Trainer

(School Name) \_\_\_\_\_

**Directions:** Observers use this form to document the required annual observations of the licensed athletic trainer. This form focuses on six performance standards. Some standards may not be documented in a single observation. A copy of this form is given to the licensed athletic trainer.

Licensed Athletic Trainer's Name \_\_\_\_\_

Date Observed \_\_\_\_\_

Time \_\_\_\_\_

The Licensed Athletic Trainer Is:  Non-tenured Tenured

Observer's Name/Title \_\_\_\_\_

### 1. Injury/Illness Prevention and Wellness

*The licensed athletic trainer effectively educates participants and manages risk for safe performance and function.*

- Employs preventative measures and intervenes appropriately to ensure patient safety.
- Monitors environmental conditions.
- Advocates proper equipment use.
- Promotes injury and illness prevention through education.
- Maintains a clean, organized, safe and well supervised facility.
- Utilizes technology, as available, in the practice of athletic training.

**Evidence:**

### 2. Clinical Evaluation

*The licensed athletic trainer effectively implements standard evaluation techniques and formulates a clinical impression for the determination of a course of action.*

- Conducts injury evaluation to determine nature and extent of injury/illness or health related conditions.
- Determines course of action for identified injury/illness or health-related conditions.
- Refers injuries and health-related conditions to a physician, emergency facility or specialized healthcare provider, if necessary.
- Adheres to Federal, State and any local privacy acts including HIPAA and FERPA.
- Effectively communicates and educates the student-athlete and family concerning the evaluation, clinical impression, and treatment of the injury/illness or health-related condition, as needed.

**Evidence:**

### 3. Immediate and Emergency Care

*The licensed athletic trainer employs standard care procedures and communicates outcomes for efficient and appropriate care of the injured student-athlete.*

- Assists in the maintenance and implementation of an appropriate Emergency Action Plan (EAP)
- Maintains appropriate emergency equipment and supplies.
- Coordinates and implements appropriate emergency referral strategies.
- Facilitates the timely transfer of care, when necessary.
- Applies the appropriate immediate and emergency care procedures to prevent the exacerbation of non-life-threatening and life-threatening health-related conditions.
- Uses established communication strategies and administrative practices to provide effective care.

**Evidence:**

### 4. Treatment and Rehabilitation

*The licensed athletic trainer effectively reconditions participants for optimal performance and function.*

- Effectively administers available therapeutic modalities, therapeutic exercises and conditioning, as indicated, by plan of care.
- Effectively applies braces, splints, tape or other assistive devices, as indicated.
- Effectively tracks student-athlete progress and adjusts treatment plans to meet short and long term goals.
- Coordinates and effectively communicates with other healthcare providers involved in the care of the student-athlete.
- Effectively administers treatment for injury, illness, and/or health-related conditions using appropriate methods to facilitate injury protection, recovery, and/or optimal functioning for individual(s).

**Evidence:**

### 5. Organization and Administration

*The licensed athletic trainer understands and adheres to approved organizational and professional practices and guidelines to ensure individual and organizational well-being.*

- Effectively maintains accurate records and documentation.
- Adheres to budget policy, works within budget constraints, and effectively allocates funds and resources for supplies and equipment.
- Demonstrates an understanding of statutory and regulatory provisions, scope of practice, and professional standards in the practice of athletic training.
- Effectively prioritizes athletic training services and athletic event/practice coverage.
- Demonstrates appropriate planning for coordination of resources in event medical management and emergency action plans.
- Develops a support/referral process for interventions to address unhealthy lifestyle behaviors.

**Evidence:**

## 6. Personal and Professional Attributes

*The licensed athletic trainer demonstrates appropriate professional conduct and adheres to organizational policies and procedures.*

- Effectively communicates with student-athletes, parents, coaches, and other school personnel as needed per school policy.
- Demonstrates effective conflict resolution or seeks administrative assistance as needed.
- Adheres to school policies and procedures.
- Demonstrates initiative, promptness, dependability and a good work ethic.
- Demonstrates accessibility, rapport, and trust with student-athletes, parents and coaches within the school community.
- Maintains professional appearance in dress and conduct.
- Demonstrates sportsmanship in dealing with officials, coaches, and visiting teams.
- Places the safety and well-being of the student-athlete as top priority, and adheres to athletic principles in an ethical manner despite external factors (winning the game, pressure from parent/coach).
- Furthers professional development by attending meetings, conferences and/or seminars.
- Works cooperatively with supervisors, school physicians, nurses, and other licensed athletic trainers within the school district.

**Evidence:**

## Evidence of Professional Practice – Nurse

(Last Revision: September 4, 2011)

Nurse \_\_\_\_\_ School \_\_\_\_\_

Grade Level(s) \_\_\_\_\_ Date \_\_\_\_\_

**Directions:** This form may be used to keep a record of evidence you collect throughout the year.

Domain 1: Planning and Preparation				
Component	Unsatisfactory	Basic	Proficient	Distinguished
<b>a:</b> Demonstrating medical knowledge and skill in nursing techniques	Nurse demonstrates little understanding of medical knowledge and nursing techniques.	Nurse demonstrates basic understanding of medical knowledge and nursing techniques.	Nurse demonstrates understanding of medical knowledge and nursing techniques.	Nurse demonstrates deep and thorough understanding of medical knowledge and nursing techniques.
<b>Evidence →</b>	1. Reflective Journal 2. Formal/Informal Observations 3. Professional Development Pursued 4. Professional Development Provided			
<b>Notes →</b>				
<b>1b:</b> Demonstrating - knowledge of child and adolescent development	Nurse displays little or no knowledge of child and adolescent development.	Nurse displays partial knowledge of child and adolescent development.	Nurse displays accurate understanding of the typical developmental characteristics of the age group, as well as exceptions to the general patterns.	In addition to accurate knowledge of the typical developmental characteristics of the age group and exceptions to the general patterns, nurse displays knowledge of the extent to which individual students follow the general patterns.
<b>Evidence →</b>	1. Parent Survey 2. Student Survey	3. Attendance at School Family Functions 4. Nurse's records	5. Conversations with Students 6. Conversations with Nurses about their Students	
<b>Notes →</b>				

Component	Unsatisfactory	Basic	Proficient	Distinguished
1c: Establishing goals for the nursing program appropriate to the setting and the students served	Nurse has no clear goals for the nursing program, or they are inappropriate to either the situation or the age of the students.	Nurse's goals for the nursing program are rudimentary and are partially suitable to the situation and the age of the students.	Nurse's goals for the nursing program are clear and appropriate to the situation in the school and to the age of the students.	Nurse's goals for the nursing program are highly appropriate to the situation in the school and to the age of the students and have been developed following consultations with students, parents, and colleagues.
<b>Evidence →</b>	1. Reflective Journal 2. Formal/informal Observations 3. Professional Development Pursued 4. Professional Development Provided			
<b>Notes →</b>				
1d: Demonstrating knowledge of government, community, and district regulations and resources	Nurse demonstrates little or no knowledge of governmental regulations and resources for students available through the school or district.	Nurse displays awareness of governmental regulations and resources for students available through the school or district but no knowledge of resources available more broadly.	Nurse displays awareness of governmental regulations and resources for students available through the school or district and some familiarity with resources external to the school.	Nurse's knowledge of governmental regulations and resources for students is extensive, including those available through the school or district and in the community.
<b>Evidence →</b>	1. Reflective Journal 2. Formal/informal Observations 3. Professional Development Pursued 4. Professional Development Provided	5. Formal / Informal Observations 6. Communication of Web Subscriptions to Families 7. Documentation of outreach to resources outside of school or district	8. Use of online subscriptions	
<b>Notes →</b>				
1e:	Nursing program consists of a random	Nurse's plan has a guiding principle	Nurse has developed a plan that	Nurse's plan is highly coherent and

<p><b>Planning the nursing program for both individuals and groups of students, integrated with the regular school program</b></p>	<p>and includes a number of worthwhile activities, but some of them don't fit with the broader goals.</p>	<p>includes the important aspects of work in the setting</p>	<p>serves to support not only the students individually and in groups, but also the broader educational program.</p>
<p><b>Evidence →</b></p>	<p>1. Counseling plans</p>	<p>2. Formal / Informal Observations</p>	<p>3. Records of collaboration with others</p>
<p><b>Notes →</b></p>			

**1f: Developing a plan to evaluate the nursing program**

Nurse has no plan to evaluate the program or realistic suggestions that such an evaluation is important

Nurse has a rudimentary plan to evaluate the nursing program.

Nurse's plan to evaluate the program is organized around clear goals and the collection of evidence to indicate the degree to which the goals have been met.

1. Rubrics  
2. Formal and informal observation

3. Reports/documentation  
4. Anecdotal Records

**Evidence →**  
**Notes →**

Domain 2: The Environment		Unsatisfactory		Basic		Proficient		Distinguished	
<b>2c.</b> Creating an environment of respect and rapport	Nurse's interactions with at least some students are negative or inappropriate	Nurse's interactions with students are a mix of positive and negative	Nurse's interactions with students are a mix of positive and negative	Nurse's interactions with students are a mix of positive and negative	Nurse's interactions with students are a mix of positive and negative	Nurse's interactions with students are a mix of positive and negative	Nurse's interactions with students are a mix of positive and negative	Students seek out the nurse, reflecting a high degree of comfort and trust in the relationship	Students seek out the nurse, reflecting a high degree of comfort and trust in the relationship
<b>Evidence→</b>	1. Notes/Comments from parent/guardians, students 2. Procedures	3. Formal and Informal observation reports/documentation (Nurse/Student, Student/Student, Student/Nurse)	4. Sensitivity of written communication / feedback (Nurse/Student, Student/Student, Student/Nurse) 5. Language and displays that support positive character traits						
<b>Notes →</b>									
<b>2b.</b> Establishing a culture for health and wellness	Nurse makes no attempt to establish a culture for health and wellness in the school as a whole or among students or among teachers.	Nurse's attempts to promote a culture throughout the school for health and wellness are partially successful	Nurse promotes a culture throughout the school for health and wellness	The culture is the school for health and wellness while guided by the nurse, is maintained by both teachers and students					
<b>Evidence→</b>	1. Interactions in whole/small group settings	2. Formal/Informal Observations a. Nurse Responses promote student intellectual, risk-taking							
<b>Notes →</b>	"								
<b>2d.</b> Following health protocols and procedures	Nurse's procedures for the nursing office are non-existent or in disarray	Nurse has rudimentary and partially successful procedures for the nursing office	Nurse's procedures for the nursing office work effectively	Nurse's procedures for the nursing office are seamless, anticipating unexpected situations					
<b>Evidence→</b>	1. Formal/Informal Observations								

Component	Unsatisfactory	Basic	Proficient	Distinguished
	2. One-to-one/Small Group Procedures			
<b>Notes →</b>				
2d. Supervising health associates	No guidelines for delegated duties have been established, or the guidelines are unclear. Nurse does not monitor associates' activities.	Nurse's efforts to establish guidelines for delegated duties are partially successful. Nurse monitors associates' activities sporadically.	Nurse has established guidelines for delegated duties and monitors associates' activities.	Associates work independently, indicating clear guidelines for their work. Nurse's supervision is subtle and professional.
<b>Evidence→</b>	1. Written Expectations 2. Discussion/Comments	3. Formal/Informal Observations		
<b>Notes →</b>				
Component	Unsatisfactory	Basic	Proficient	Distinguished
2e. Organizing physical space	Nurse's office is in disarray or is inappropriate to the planned activities. Medications are not properly stored.	Nurse attempts to create a well-organized physical environment, but is partially successful. Medications are stored properly but are difficult to find.	Nurse's office is well organized and is appropriate to the planned activities. Medications are properly stored and well organized.	Nurse's office is efficiently organized and is highly appropriate to the planned activities. Medications are properly stored and well organized.
<b>Evidence→</b>	1. Formal and informal observations of the physical space. a. Are students visible to Nurse? b. Does the arrangement of furniture support communication?	2. Organization and Neatness of Room 3. Nurse documentation/reporting of adaptations to meet student needs		
<b>Notes →</b>				

Domain 3: Delivery of Service		Basic	Proficient	Distinguished
Component	Unsatisfactory			
<b>3a. Assessing student needs.</b>	Nurse does not assess student needs, or the assessments result in inaccurate conclusions.	Nurse's assessments of student needs are perfunctory.	Nurse assesses student needs and knows the range of student needs in the school.	Nurse conducts detailed and individualized assessment of student needs to contribute to program planning.
<b>Evidence→</b>	1. Formal / Informal Observations 2. Evidence of student growth (data)	3. Materials / documents utilized to differentiate 4. Language that demonstrates respect and empathy		
<b>Notes →</b>				
<b>3b. Administering medications to students</b>	Medications are administered with no regard to state or district policies.	Medications are administered by designated individuals, but signed release forms are not conveniently stored.	Medications are administered by designated individuals, and signed release forms are conveniently stored and available when needed.	Medications are administered by designated individuals, and signed release forms are conveniently stored. Students take an active role in medication compliance.
<b>Evidence→</b>	1. Formal / Informal Observations a. Student Intellectual Risk-Taking is promoted (respectful responses to student questions), 2. Evidence of student growth (data)			
<b>Notes →</b>				

Component	Unsatisfactory	Basic	Proficient	Distinguished
3c. Promoting wellness through classes or classroom presentations	Nurse's work with students in classes fails to promote wellness through classroom presentations are partially effective.	Nurse's efforts to promote wellness through classroom presentations result in students acquiring the knowledge and attitudes that help them adopt a healthy lifestyle.	Nurse's classroom presentations result in students adopting the knowledge and attitudes that help them adopt a healthy lifestyle.	Nurse's classroom presentations for wellness are effective, and students assume an active role in the school in promoting a healthy lifestyle.
<b>Evidence→</b>	1. Formal / Informal Observations 2. Evidence of student growth (data)			
<b>Notes →</b>				
3d. Managing emergency situations	Nurse has no contingency plans for emergency situations.	Nurse's plans for emergency situations have been developed for the most frequently occurring situations but not others.	Nurse's plans for emergency situations have been developed for many situations.	Nurse's plans for emergency situations have been developed for many situations. Students and teachers have learned their responsibilities in case of emergencies.
<b>Evidence→</b>	1. Records of communications with other programs and agencies 2. Emergency records/materials	3. Formal and informal observation 4. Anecdotal Records		
<b>Notes →</b>				
Component	Unsatisfactory	Basic	Proficient	Distinguished
3e. Demonstrating flexibility and responsiveness	Nurse adheres to the plan of program in spite of evidence of its inadequacy.	Nurse makes modest changes in the nursing program when confronted with evidence of the need for change.	Nurse makes revisions in the nursing program when they are needed.	Nurse is continually seeking ways to improve the nursing program and makes changes as needed in response to student, parent, or teacher input.

<b>Evidence→</b>	1. Formal / Informal Observations 2. Anecdotal records	3. Respectful feedback that promotes growth		
<b>Notes →</b>				
Component	Unsatisfactory	Basic	Proficient	Distinguished
3f. Collaborating with classroom teachers to develop specialized educational programs and services for students with diverse medical needs	Nurse declines to collaborate with classroom teachers to develop specialized educational programs	Nurse collaborates with classroom teachers in developing instructional lessons and units when specifically asked to do so	Nurse initiates collaboration with classroom teachers in developing instructional lessons and units	Nurse initiates collaboration with classroom teachers in developing instructional lessons and units, locating additional resources from outside the school
<b>Evidence→</b>	1. Formal / Informal Observations 2. Anecdotal records			
<b>Notes →</b>				

**Domain 4: Professional Responsibilities**

Component	Unsatisfactory	Basic	Proficient	Distinguished
4a: Reflecting on practice	Nurse does not reflect on practice, or the reflections are inaccurate or self-serving.	Nurse's reflection is moderately accurate and objective without citing specific examples and with only global suggestions as to how it might be improved.	Nurse's reflection provides an accurate and objective description of practice, citing specific positive and negative characteristics. Nurse makes some specific suggestions as to how the nursing program might be improved.	Nurse's reflection is highly accurate and perceptive, citing specific examples. Nurse draws on an extensive repertoire to suggest alternative strategies.
<b>Evidence→</b>	1. Reflective Journal	2. Reflections on Observations	3. Informal Discussions 4. Pre/Post Observation meetings	
<b>Notes →</b>				
4b: Maintaining health records in accordance with policy and submitting reports in a timely fashion	Nurse's reports, records, and documentation are missing, late or inaccurate, resulting in confusion.	Nurse's reports, records, and documentation are generally accurate but are occasionally late.	Nurse's reports, records, and documentation are accurate and are submitted in a timely manner.	Nurse's approach to record keeping is highly systematic and efficient and serves as a model for colleagues across the school.
<b>Evidence→</b>	1. Records and documentation	2. Permanent records updated in accordance with district procedures.	3. System in place for anecdotal records 4. Appropriate documentation for IEP and I&RS meetings	
Component	Unsatisfactory	Basic	Proficient	Distinguished
4c: Communicating with Families	Nurse provides no information to families either about the nursing program as a whole or about individual students.	Nurse provides limited though accurate information to families about the nursing program as a whole and about individual students.	Nurse provides thorough and accurate information to families about the nursing program as a whole and about individual students.	Nurse is proactive in providing information to families about the nursing program and about individual students through a variety of means.
<b>Evidence→</b>	1. Phone Log	2. Communication with Parents/Guardians with Special Needs (i.e. another language)	3. Appropriate use of email correspondence (i.e. not used for sensitive information) 4. Communication conducted during appropriate times and in appropriate locations	
<b>Notes →</b>				

<p><b>4d:</b> Participating in a professional community</p>	<p>Nurse's relationships with colleagues are negative or self-serving, and nurse avoids being involved in school and district events and projects.</p>	<p>Nurse's relationships with colleagues are cordial, and nurse participates in school and district events and projects when specifically requested to do so.</p>	<p><b>Evidence→</b></p> <ul style="list-style-type: none"> <li>1. Participation in school and district based committees             <ul style="list-style-type: none"> <li>a. Affirmative Action</li> <li>b. School Based Professional Development</li> <li>c. Professional Learning Communities</li> </ul> </li> <li>2. Providing Professional Development (turn-key, sharing expertise with staff)</li> <li>3. Documentation related to PLC</li> <li>4. Documentation of Independent Study (i.e. research, professional articles read, etc)</li> </ul> <p><b>Note:</b> Documentation can include: notes received, anecdotal records, meeting minutes, logs,</p> <p><b>Notes →</b></p> <ol style="list-style-type: none"> <li>1.</li> </ol>				
		<p><b>Component</b></p> <table border="1" data-bbox="350 2042 530 2042"> <tr> <td data-bbox="350 2042 416 2042">Unsatisfactory</td> <td data-bbox="416 2042 530 2042">Basic</td> <td data-bbox="530 2042 709 2042">Proficient</td> <td data-bbox="709 2042 1302 2042">Distinguished</td> </tr> </table>	Unsatisfactory	Basic	Proficient	Distinguished	<p><b>4e:</b> Engaging in professional development</p> <p>Nurse does not participate in professional development activities, even when such activities are clearly needed for the development of nursing skills.</p> <p><b>Evidence→</b></p> <ul style="list-style-type: none"> <li>1. Professional Development Pursued</li> <li>2. Professional Development Provided</li> </ul> <p><b>Notes →</b></p> <ol style="list-style-type: none"> <li>3. Providing Professional Development (turn-key, sharing expertise with staff)</li> <li>4. Fostering dialogue with peers and administration regarding practices</li> <li>5. Conducting research (i.e. action research)</li> </ol>
Unsatisfactory	Basic	Proficient	Distinguished				

<p><b>4f. Showing professionalism</b></p> <p>Nurse displays dishonesty in interactions with colleagues, students, and the public. violates principles of confidentiality</p>	<p>Nurse is honest in interactions with colleagues, students, and the public. does not violate confidentiality.</p> <p><b>Evidence→</b></p> <ol style="list-style-type: none"> <li>1. Verbal, written and digital communication demonstrate ethical conduct:           <ol style="list-style-type: none"> <li>a. Standards of honesty, integrity &amp; confidentiality are held high</li> </ol> </li> </ol> <p><b>Notes→</b></p>	<p>Nurse displays high standards of honesty, integrity, and confidentiality in interactions with colleagues, students, and the public. advocates for students when needed.</p>	<p>Nurse can be counted on to hold the highest standards of honesty, integrity, and confidentiality in interactions with colleagues, students, and the public. taking a leadership role with colleagues.</p> <p>3. Formal / Informal observations</p> <ol style="list-style-type: none"> <li>2. Communication is timely and conducted with appropriate / relevant staff in venues that ensure confidentiality is maintained.</li> </ol>

School Psychologist's relationships with colleagues are cordial.</p>	<p>School Psychologist makes a substantial contribution to school and district meetings, participates on district-level committees, and assumes a leadership role with colleagues.</p>
<b>4d: Critical Attributes</b>	<ul style="list-style-type: none"> <li>• Does not participate in professional collaboration.</li> <li>• Does not attend department meetings.</li> <li>• Averse to feedback from colleagues and administration.</li> </ul>	<ul style="list-style-type: none"> <li>• Inconsistently accepts feedback from colleagues and administration.</li> <li>• Participates in professional collaboration but does not contribute.</li> <li>• Inconsistently attends and rarely participates in department meetings.</li> </ul>	<ul style="list-style-type: none"> <li>• Accepts feedback from colleagues and administration in order to improve practice.</li> <li>• Regularly participates in professional collaboration and makes contributions.</li> <li>• Consistently attends and participates in department meetings.</li> <li>• Provides in-services or presentations to team.</li> <li>• Participates on and contributes to building-level committees as requested.</li> </ul>
<b>4e: Engaging in professional development</b>	<p>School Psychologist does not participate in professional development activities, even when such activities are recommended by supervisor(s) for the development of skills.</p>	<p>School Psychologist's participation in professional development activities is limited to those that are convenient or are required.</p>	<p>School Psychologist provides a leadership role in seeking out professional development opportunities for increasing knowledge of best practices and makes a substantial contribution to the profession through such activities as offering workshops to colleagues.</p>

<b>4e: Critical Attributes</b>	<ul style="list-style-type: none"> <li>Does not seek opportunities for continued professional development.</li> <li>Does not participate in any activity that might enhance knowledge or skill.</li> <li>Purposefully resists discussing performance with supervisors or colleagues.</li> <li>Makes no effort to participate in professional organizations.</li> </ul>	<ul style="list-style-type: none"> <li>Rarely seeks opportunities for continued professional development.</li> <li>Participates in professional development when required.</li> <li>Reluctantly accepts feedback from supervisors and colleagues.</li> <li>Rarely participates in professional organizations.</li> </ul>	<ul style="list-style-type: none"> <li>Seeks regular opportunities for continued professional development.</li> <li>Welcomes colleagues and supervisors into the classroom for the purposes of gaining insight from their feedback.</li> <li>Actively participates in organizations designed to contribute to the profession.</li> </ul>
<b>4f: Showing professionalism, including integrity, advocacy, and maintaining confidentiality and maintaining confidentiality</b>	<p>School Psychologist displays dishonesty in interactions with colleagues, students, and the public and violates principles of confidentiality.</p>	<p>School Psychologist is honest in interactions with colleagues, students, and the public; plays a moderate advocacy role for students; and does not violate norms of confidentiality.</p>	<p>School Psychologist can be counted on to uphold the highest standards of honesty, integrity, and confidentiality in interactions with colleagues, students, and the public and advocates for students when needed.</p>
<b>4f: Critical Attributes</b>	<ul style="list-style-type: none"> <li>Is dishonest.</li> <li>Does not notice the needs of students.</li> <li>Engages in practices that are self-serving.</li> <li>Willfully rejects district regulations.</li> <li>Is not aware of NASP's <i>Principles for Professional Ethics</i>.</li> </ul>	<ul style="list-style-type: none"> <li>Is consistently honest.</li> <li>Notices the needs of students but is inconsistent in addressing them.</li> <li>Does not notice that practices are ineffective or that they result in poor outcomes for students.</li> <li>Complies with district regulations.</li> <li>Inconsistently adheres to NASP's <i>Principles for Professional Ethics</i>.</li> </ul>	<ul style="list-style-type: none"> <li>Is considered a leader in terms of honesty, integrity, and confidentiality.</li> <li>Proactively addresses student needs.</li> <li>Makes a concerted effort to ensure opportunities are available for student success within the psychological practice.</li> <li>Takes a leadership role regarding district regulations.</li> <li>Always adheres to NASP's <i>Principles for Professional Ethics</i>.</li> </ul>

## PROFESSIONAL PRACTICES OF SCHOOL LDT-CS-DOMAIN 1: PLANNING AND PREPARATION

COMPONENT	LEVELS OF PERFORMANCE			
	UNSATISFACTORY	BASIC	PROFICIENT	DISTINGUISHED
1a Demonstrating knowledge and skill in the implementation of assessment instruments to evaluate students	LDT-C demonstrates little or no knowledge and skill in using assessment instruments to evaluate students.	LDT-C inconsistently uses the appropriate assessment instruments, along with the incorporation of performance data to evaluate students and determine accurate diagnoses.	LDT-C consistently uses a range of assessment instruments, along with the incorporation of performance data to evaluate students and achieve a meaningful outcome for students in an evaluative process.	LDT-C uses a wide range of assessment instruments, along with other performance data to evaluate students, as well as demonstrates the ability to incorporate the necessary diagnostic activities in order to achieve a meaningful outcome for students in an evaluative process.
1b Demonstrating knowledge of child and adolescent development in order to establish goals for student programming	LDT-C demonstrates little or no knowledge of child and adolescent development and has difficulty guiding educational teams in the development of IEPs.	LDT-C demonstrates basic knowledge of child and adolescent development and participates with the educational team in the development of IEPs.	LDT-C demonstrates through knowledge of child and adolescent development and effectively integrates assessment/ performance data in the development of IEPs.	LDT-C demonstrates extensive knowledge of child and adolescent development and provides leadership in the planning and organization of IEPs. As a part of the service delivery, the LDT-C provides training to staff in order to appropriately execute individual education plans.
1c Establishing for the psychological services appropriate to the settings and students served	LDT-C has no clear goals for the remediation strategies/interventions, or they are inappropriate to either the situation or the age of the student(s).	LDT-C's goals for the remediation strategies/interventions are rudimentary and only partially suitable to the situation and the age of the student(s).	LDT-C's goals for the remediation strategies/interventions are clear and appropriate within the context of the educational setting and to the age/developmental level of the student(s),	LDT-C's goals for the remediation strategies/interventions are diagnostically relevant to the situation in the school environment and to the age/developmental level of the student(s), and have been created following consultations with students, parents, and colleagues.

<p><b>1d: Demonstrating knowledge of state and federal regulations, and resources within and beyond the school and district</b></p>	<p>LDT-C demonstrates little or no knowledge of governmental regulations and resources for students available within the school or district.</p>	<p>LDT-C displays awareness of governmental regulations and resources for students available within the school or district, but no knowledge of resources available beyond the educational setting.</p>	<p>LDT-C's knowledge of governmental regulations and services for students is extensive, inclusive of district and community resources. In addition, the LDT-C networks within and beyond the district to seek additional resources, as needed, in the provision of therapeutic services.</p>
<p><b>1e: Planning and integrating the program to meet the needs of individual students, including prevention</b></p>	<p>LDT-C's plan for intervention services consists of a haphazard collection of unrelated activities, lacking coherence or an overall structure.</p>	<p>LDT-C's plan has learning objectives aligned to the student's identified educational/social-emotional needs, incorporating the behavioral expectations of the general education setting that are a part of the student's school day.</p>	<p>LDT-C's plan is coherent and preventive, designed to support the student process. The intended objective guides application into the broader educational environment so as to facilitate independent functioning.</p>

PROFESSIONAL PRACTICES OF SCHOOL LDT-CS-DOMAIN 2: ENVIRONMENT				
COMPONENT	LEVELS OF PERFORMANCE			DISTINGUISHED
	UNSATISFACTORY	BASIC	PROFICIENT	
2a Establishing rapport with students	LDT-C's interactions with students are negative or inappropriate; students appear uncomfortable during service delivery.	LDT-C's interactions are a mix of positive and negative; the LDT-C's efforts at developing rapport are partially successful.	LDT-C's interactions with students are positive and respectful; students appear comfortable during service delivery.	Students seek out the LDT-C, reflecting a high degree of comfort and trust in the relationship and demonstrates the benefits derived from the social/ emotional supports provided through service delivery.
2b Establishing a culture that promotes pro-social behaviors among the students across educational settings	LDT-C makes no attempt to establish a culture for positive behaviors across school settings.	LDT-C attempts to promote positive behaviors across educational settings and these attempts are partially successful.	LDT-C promotes a culture throughout the school that encourages positive behaviors across educational settings and provides direct instructional support among the students in groups, and between students and their teachers.	LDT-C takes the initiative to work collaboratively in the promotion of a school wide culture that systematically establishes and reinforces positive behaviors environment.
2d Establishing standards of conduct across settings	No standards of conduct have been established and the LDT-C disregards or fails to address negative student behavior.	Standards of conduct appear to have been established, yet the LDT-C attempts to monitor and correct negative student behavior is only partially successful.	Standards of conduct have been clearly established. The LDT-C monitors student behavior against those standards providing appropriate therapeutic supports and facilitating respectful behavior.	Standards of conduct have been clearly established. The LDT-C has built the behavioral foundation with the students so that they are able to monitor and self- correct their behaviors.
2e Maintaining confidentiality and keeping records	The physical space is disorganized and poorly suited for working with students. Materials are not stored in a secure location, and are difficult to find when needed.	The physical space is moderately organized. Some attempt is made to modify the available space or find an alternative site that is more suitable for the planned activity. Materials are stored in a secure location, but are not always readily available.	Materials are stored in a secure location and are available when needed.	The physical space is arranged and organized to accommodate a variety of activities with children. If an alternative space is more suitable for an activity, the LDT-C has arranged for the site in advance. Materials are stored in a secure location and are readily available.

### PROFESSIONAL PRACTICES OF SCHOOL LDT-CS-DOMAIN 3: DELIVERY OF SERVICE

COMPONENT	LEVELS OF PERFORMANCE			
	UNSATISFACTORY	BASIC	PROFICIENT	DISTINGUISHED
3a Responding to referrals and evaluating student needs in a timely manner	LDT-C fails to respond to a referral request or to initiate the evaluative process defined in the referral.	LDT-C responds to a referral request in a timely manner with appropriate follow-up. The LDT-C initiates the evaluative process defined in the referral, but is inconsistent in the completion of the process.	LDT-C responds to a referral request in a timely manner with appropriate follow-up. The LDT-C initiates the evaluative process defined in the referral, and is consistent in the completion of the process.	LDT-C takes a leadership role in monitoring student performance with grade level teams, and guides the implementation of referral requests as necessary. Upon receipt of the referral, the LDT-C efficiently initiates and completes the evaluative process defined in the referral.
3b Evaluating student needs in compliance with state and federal guidelines, inclusive of systems that are educationally relevant and diagnostically sound	LDT-C resists administering evaluations, selects instruments inappropriate to the situation, or does not follow established timelines and procedures.	LDT-C attempts to administer appropriate and/or available evaluation instruments to students, but is inconsistent in following established timelines and procedures.	LDT-C administers appropriate and/or relevant evaluation instruments to students, and ensures that all established timelines and/or procedures are delivered with full compliance.	LDT-C selects from a broad repertoire those assessments that are the most appropriate and educationally relevant to the referral questions, and conducts information sessions with colleagues to ensure that they fully understand and comply with all established timelines and/or procedures.
3c Actively participating on the educational/evaluation teams	LDT-C does not actively participate with student educational and/or evaluation teams.	LDT-C participates with student educational and/or evaluation teams based upon the diagnostic data derived from the assessment reports in the development of students' IEP.	LDT-C actively participates on the educational/evaluation team and takes initiative in assembling materials for student meetings. IEPs are prepared in an exemplary manner, incorporating relevant diagnostic information that connects the student's performance to that of same-aged non-disabled peers.	LDT-C actively participates on the educational/evaluation team and takes initiative in assembling materials for student meetings. IEPs are prepared in an exemplary manner, incorporating relevant diagnostic information that connects the student's performance to that of same-aged non-disabled peers.

<p><b>3d Planning interventions to maximize students' academic and/or behavioral successes</b></p>	<p>LDT-C fails to plan intervention suitable for students or the planned intervention is mismatched with the findings of the assessment data.</p>	<p>LDT-C has planned interventions for students, but the interventions are only partially suitable and sporadically aligned with identified needs.</p> <p>LDT-C takes a leadership role in the development of comprehensive interventions for students, finding ways to meet student needs aligned to remediate educational and/or behavioral deficits. Initiative is taken in seeking additional resources as needed.</p>
<p><b>3e Maintaining professional relationships with community service providers to support student performance across settings</b></p>	<p>LDT-C does not maintain contact with professional colleagues and community service providers in the provision of educational services.</p>	<p>LDT-C maintains occasional contact with professional colleagues and community service providers in the provision of educational services.</p>
<p><b>3f Demonstrative flexibility and responsiveness</b></p>	<p>LDT-C adheres to his or her service plan, in spite of evidence of its inadequacy.</p>	<p>LDT-C makes modest changes in the service plan when confronted with evidence of the need for change.</p> <p>LDT-C makes revisions in the service plan as necessary based upon data and the educational setting.</p> <p>LDT-C is continually seeking ways to improve the service plan, and makes changes as needed in response to input of stakeholders.</p>

## PROFESSIONAL PRACTICES OF SCHOOL LDT-CS-DOMAIN 4: PROFESSIONAL RESPONSIBILITIES

COMPONENT	LEVELS OF PERFORMANCE			
	UNSATISFACTORY	BASIC	PROFICIENT	DISTINGUISHED
4a Reflecting on practice	LDT-C resists reflection on practice. Reflections are inaccurate or self-serving. LDT-C is unable to identify any evidence-based practice to support interventions.	LDT-C's reflection on practice is moderately accurate and objective without citing specific examples, and with only global suggestions as to how it might be improved. LDT-C demonstrates a vague understanding of evidence-based practice and how it relates to interventions.	LDT-C's reflection provides an accurate and objective description of practice, citing specific evidence. LDT-C makes some specific suggestions based on evidence as to how the interventions might be improved.	LDT-C's reflection is accurate and perceptive, citing specific examples that were not fully successful, for at least some students. LDT-C draws on an extensive repertoire to suggest alternative strategies and consistently incorporates evidence-based practices.
4b Maintaining accurate and effective data management system	LDT-C's system for managing data is either nonexistent or inappropriate; it cannot be used to monitor student progress or to adjust service delivery.	LDT-C's system for managing data is rudimentary or insufficient for monitoring student progress and is used on an on-going basis to make adjustments to service delivery.	LDT-C's system for managing data is effective for monitoring student progress and is used on an on-going basis to make adjustments to service delivery.	LDT-C's system for managing data is effective for monitoring student progress across settings and is used as a foundational component in the implementation of service delivery and is shared with all relevant stakeholders.
4c Communicating with parents, staff and administrators	LDT-C is unavailable to stakeholders for questions, planning or for sharing of assessment data.	LDT-C initiates contact with stakeholders to provide information only when requested for questions, planning or sharing of assessment data. The information provided may be insufficient or delivered in an insensitive manner.	LDT-C seeks out stakeholders to provide information to plan, answer questions and share assessment data. LDT-C solicits stakeholder's perspectives on individual students or needs within an educational setting and documents consultation/collaboration in progress notes and data management system.	

<p><b>4d</b> Participating in professional events related to your field of expertise and maintains professional relationship.</p>	<p>LDT-C's relationships with colleagues are negative or self-serving, and LDT-C avoids being involved in school and district events and/or projects when specifically requested.</p>	<p>LDT-C participates in events related to your field of expertise while also maintaining positive and productive relationships with colleagues.</p>	<p>LDT-C makes a substantial contribution to school and district events and/or projects and assumes a leadership role with colleagues.</p>
<p><b>4e</b> Growing and developing professionally</p>	<p>LDT-C participates in professional development those that are convenient or are required.</p>	<p>LDT-C participates in professional development based on professional needs identified within the school setting.</p>	<p>LDT-C participates in professional development opportunities, and makes a substantial contribution to the profession through such activities as offering workshops to colleagues.</p>
<p><b>4f</b> Showing professionalism</p>	<p>LDT-C participates in professional development even when such activities are clearly needed for the ongoing development of skills.</p>	<p>LDT-C displays high standards of honesty, integrity, and confidentiality in all documentation and interactions with stakeholders. The LDT-C advocates for students when needed. The LDT-C complies fully and voluntarily with school and district policies, and maintains confidentiality as required by state and federal law.</p>	<p>LDT-C demonstrates the highest standards of ethical conduct, inclusive of confidentiality in documentation and sound therapeutically meaningful interactions with all stakeholders. The LDT-C consistently advocates for students and takes a leadership role with colleagues.</p>

**RUBRIC FOR SCHOOL SOCIAL WORKER**  
DOMAIN 1: PLANNING AND PREPARATION

COMPONENT	LEVEL OF PERFORMANCE			
	UNSATISFACTORY	BASIC	PROFICIENT	DISTINGUISHED
1a: Demonstrating knowledge with skill in conducting a Social Assessment. • Communication skills • Interviewing skills • Gathering background information • Establishing a positive report with the student's guardian	Social Worker demonstrates little or no knowledge and skill in conducting social assessments to evaluate and obtain the necessary components for a social assessment.	Social Worker inconsistently obtains information for the social assessment to evaluate students.	Social Worker consistently obtains information for the social assessment to evaluate students.	Social Worker obtains a solid amount of information to evaluate students including: Developmental and family history, which if appropriate includes economic and cultural differences. The evaluation contains the configuration of factors within the home, community and school as related to a student's current social, emotional and academic adjustment.
1b: Demonstrating knowledge of child and adolescent development and psychopathology • Child development • Learning process • Special needs • Student's skills, knowledge, and proficiency • Interests and cultural heritage.	Social Worker demonstrates little or no knowledge of child and adolescent development and psychopathology.	Social Worker's demonstrates minimal knowledge of child and adolescent development and psychopathology.	Social Worker demonstrates thorough knowledge of child and adolescent development and psychopathology.	Social Worker's demonstrates extensive knowledge of child and adolescent development and psychopathology and knows variations of the typical patterns.
1c: Establishing goals for IEP mandated counseling appropriate to the setting and the students served. • Counseling activity • Instructional materials and resources • Counseling groups • Psychoeducational lessons and structure	School Social Worker has unclear goals for the IEP mandated counseling, or they are inappropriate to either the situation or the age of the students.	School Social Worker's goals for the IEP mandated counseling are clear and appropriate to the situation in the school and to the age of the students.	School Social Worker's goals for the IEP mandated counseling are clear and appropriate to the situation in the school and to the age of the students.	School Social Worker's goals for the IEP mandated counseling are skillfully selected to fit the situation in the school and to the age of the students and have been developed following consultations with students, parents, and colleagues.

* Counseling PLAAFP and Goals			
1d: Demonstrating knowledge of state and federal regulations and of resources both within and beyond the school and district. • Knowledge of Federal and State Law	Social Worker demonstrates little or no knowledge of governmental regulations or of resources for students available through the school or district.	Social Worker displays awareness of governmental regulations and of resources for students available through the school or district, but no knowledge of resources available more broadly.	Social Worker displays clear awareness of governmental regulations and of resources available through the school or district and in the community.

Social worker maintains poor contact with physicians and community mental health service providers.

Social worker maintains inconsistent contact with physicians and community mental health service providers.

Social Worker adheres to the plan or program, in spite of evidence of its inadequacy.

Social Worker lacks ability to participate with other Child Study Team members.

Social worker maintains consistent contact with physicians and community mental health service providers.

Social Worker makes minimal changes in the treatment program when confronted with evidence of the need for change.

Social Worker maintains minimal collaboration with Child Study Team members.

Social worker maintains seamless contact with physicians and community mental health service providers and initiates contacts when needed.

Social Worker makes appropriate revisions in the treatment program when it is needed.

Social Worker maintains consistent collaboration with Child Study Team members.

**RUBRIC FOR SCHOOL SOCIAL WORKER**  
**DOMAIN 4: PROFESSIONAL RESPONSIBILITIES**

COMPONENT	UNSATISFACTORY	LEVEL OF PERFORMANCE		DISTINGUISHED
		BASIC	PROFICIENT	
4a: Reflecting on practice • Accuracy • Use in of future teaching	Social Worker does not reflect on practice, or the reflections are inaccurate or inappropriate.	Social Worker's reflection on practice is moderately accurate and objective without citing specific examples, and with only global suggestions as to how it might be improved.	Social Worker's reflection provides an accurate and objective description of practice, citing specific positive and negative characteristics. Social Worker makes some specific suggestions as to how the counseling program might be improved.	Social Worker's reflection is highly accurate and perceptive, citing specific examples that were not fully successful for at least some students. Social Worker draws on an extensive repertoire to suggest alternative strategies.
4b: Communicating with families • About instructional programs • About individual students • Engagement of families in instructional program • Use of oral and written language	Social Worker fails to communicate with families and secure necessary permission for evaluations or communicates in an insensitive manner.	Social Worker's communication with families is partially successful; permissions are obtained, but there are occasional insensitivities to parental concerns.	Social Worker communicates with families and secures necessary permission for evaluations and does so in a manner sensitive to parental concerns.	Social Worker seamlessly secures necessary permissions and communicates with families in a manner highly sensitive to parent concerns. Social Worker reaches out to families of students to enhance trust.
4c: Maintaining accurate records • Maintaining appropriate storage • Student progress in counseling	School Social Worker's records are in disarray, they may be missing, illegible, or stored in an insecure location.	School Social Worker's records are partially accurate and legible and are stored in a secure location.	School Social Worker's records are consistently accurate and legible, well organized, and stored in a secure location.	School Social Worker's records are skillfully organized and stored in a secure location. They are written to be understandable to another qualified professional.
4d: Participating in a professional community • Relationships with colleagues • Participation in school projects • Improvement in culture of professional inquiry • Service to school	School Social Worker's relationships with colleagues are poor. School Social Worker avoids being involved in school and district events and projects.	School Social Worker's relationships with colleagues are minimal, and School Social Worker participates in school and district events and projects when specifically requested.	School Social Worker participates frequently in school and district events and projects and maintains positive and productive relationships with colleagues.	School Social Worker makes a solid contribution to school and district events and projects and assumes leadership with colleagues.

<b>4e: Engaging In professional development</b>	<ul style="list-style-type: none"> <li>• Enhancement of knowledge and skill</li> <li>• Receptivity to feedback from colleagues</li> <li>• Service to the profession</li> </ul>	<p>Social worker does not participate in professional development activities, even when such activities are clearly needed for the ongoing development skills.</p>	<p>Social worker's participation in professional development activities is minimal to those that are convenient or are requires.</p>	<p>Social worker consistently seeks out opportunities for professional development based on an individual assessment of need.</p>	<p>Social worker pursues professional development opportunities and makes a substantial contribution to the profession through such activities as offering workshops to colleagues.</p>
---	--	--	--	---	---

## Rubric for Related Services Providers

Related Services Providers include Occupational Therapists, Physical Therapists, Speech and Language Therapists, and others whose focus is on removing barriers to learning for children with identified special education needs.

The following rubric for Related Services Providers is aligned with the four domains of the Danielson Framework for Teaching.

**Related Services Providers**  
**Domain 1: Planning and Preparation**

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>1a:</b> <b>Demonstrates knowledge of the discipline and of district, state, and federal guidelines and regulations</b>	<p>Therapist's plans and practices demonstrate little to no knowledge of or proficiency in the specialized area.</p> <p>Therapist does not demonstrate knowledge of applicable guidelines, laws, and regulations.</p>	<p>Therapist's plans and practices evidence some knowledge of the theory and practice of the discipline.</p> <p>Therapist demonstrates limited knowledge of applicable guidelines, laws, and regulations.</p>	<p>Therapist's plans and practices demonstrate knowledge of the theories and instructional practices of the discipline.</p> <p>Therapist demonstrates appropriate knowledge of applicable guidelines, laws, and regulations.</p>	<p>Therapist's plans and practices demonstrate deep knowledge of the theories of the practice and a high degree of skill in his/her intentional and creative application to the planned work.</p> <p>Therapist participates in framing and revising district policies and procedures and provides professional learning to help ensure colleagues also understand these.</p>
		<b>Sample Indicators of Proficiency</b>		
<ul style="list-style-type: none"><li>• Therapist's plans reflect the research-based content and best practices of the discipline.</li><li>• Plans include the use of appropriate individual, small group, and whole group activities.</li><li>• Program plans align with legal requirements or regulations.</li><li>• Therapist works with school staff to ensure students receive all services to which they are entitled.</li></ul>				

### Planning and Preparation (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>1b:</b> <b>Uses knowledge of his/her specialty area to plan programs that meet students' needs</b>	<p>Therapist's plans and practices display minimal knowledge of typical developmental characteristics, skills, and needs of students as a whole group in his/her specialty.</p> <p>Therapist's plans and practices display minimal knowledge of disabilities of students.</p>	<p>Therapist's plans and practices display general knowledge of developmental characteristics, skills, and needs of students as a whole group in his/her specialty.</p> <p>Therapist's plans and practices display general understanding of disabilities of students.</p>	<p>Therapist's plans and practices display solid understanding of developmental characteristics, skills, and needs of each individual student in his/her specialty.</p> <p>Therapist's plans and practices display solid understanding of how disabilities impact students' attitudes, behaviors, and performances.</p>	<p>Therapist's plans and practices take into account characteristics, skills, and needs of each individual student.</p> <p>Therapist uses this knowledge to create meaningful and realistic opportunities and to differentiate instruction.</p>

#### Sample Indicators of Proficiency

- Therapist uses research-based practices to guide and support student development.
- Therapist's plans reflect the research-based content and best practices of the discipline.
- Plans include the use of appropriate individual, small group, and whole group activities.
- Therapist provides evidence of appropriate certification.

### Planning and Preparation (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
1c: Establishes clear therapeutic goals to address the needs of the students served	Therapeutic goals are not clear or are too low-level and/or too vague for the students' ages or conditions.	Therapeutic goals are somewhat clear and appropriate for the ages and needs of some of the students.	Therapeutic goals are clearly defined and appropriately designed for the ages and needs of the students served.	Therapeutic goals are crisply defined and highly appropriate for informing a wide range of aligned program activities that address the needs and ages of the students served.

Sample Indicators of Proficiency
<ul style="list-style-type: none"> <li>• Therapeutic goals are developed for individual students as well as for groups of students.</li> <li>• Therapeutic goals are clearly defined.</li> <li>• The goals are chronologically appropriate for the students served.</li> <li>• The goals are appropriate to address the service needs of the students.</li> <li>• Therapeutic goals are appropriate to address the service needs of the students.</li> </ul>

### Planning and Preparation (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>1d:</b> <b>Identifies resources both within and outside the school and district</b>	<p>Therapist does not demonstrate knowledge of school or district resources available to support the program and students and makes no attempts to gain this knowledge.</p> <p>Therapist makes limited attempts to develop this knowledge.</p>	<p>Therapist demonstrates limited knowledge of school or district resources available to support the program and students within the school and district and has some understanding of resources beyond these.</p> <p>Therapist continually seeks additional resources to support the program and students.</p>	<p>Therapist is knowledgeable of resources available to support the program and students within the school and district and has some understanding of resources beyond these.</p> <p>Therapist continually seeks additional resources to support the program and students.</p>	<p>Therapist has deep and extensive knowledge of available resources within and external to the school and district.</p> <p>Therapist works closely with key stakeholders to identify additional resources.</p>

#### Sample Indicators of Proficiency

- Therapist identifies resources for students that are available within the school
- Therapist identifies resources for the students and the program that are available within the district
- Therapist identifies resources for the program that are available beyond the school/district
- Therapist identifies specific resources needed to support students and seeks these out.

### Planning and Preparation (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>1e:</b> <b>Ensures the therapeutic program is coherent and integrated with the school programs to meet student needs</b>	<p>Planned therapeutic program is incoherent, made up of a series of activities and experiences that are poorly aligned with the goals of both the therapeutic program and the school programs.</p>	<p>Planned therapeutic program includes activities that are somewhat coherent and not well aligned and integrated with the program goals and the school programs.</p>	<p>The planned therapeutic program is both coherent and well integrated with the school programs.</p>	<p>The therapeutic program aligns and integrates program activities, program goals, and school goals to ensure a coherent and flexible approach that addresses the needs of most of the students served.</p>

#### Sample Indicators of Proficiency

- Therapeutic and school programs are integrated to ensure a seamless approach to student learning
- Therapeutic program ensures coherence through the alignment of goals, activities, and processes.
- The goals of the therapeutic program focus on student learning
- Therapeutic program enhances learning by removing the barriers to student learning in the school programs.

### Planning and Preparation (continued)

Component	Level of Performance	Proficient		
		Basic	Distinguished	
<b>1f:</b> <b>Develops plans to assess and improve the therapeutic services to students</b>	No plans have been developed to assess and improve the therapeutic services offered to individuals or groups of students.	Therapist has developed a limited approach to assessing and improving the therapeutic services offered to individuals or groups of students.	Therapist has developed a clear plan to assess the processes and impact of the services offered to individuals or groups of students and to use the evidence of impact to frame improvements.	Therapist has developed a plan for ongoing review and refinement of the services offered to individuals or groups of students, incorporating the recommendations of students and other stakeholders.

#### Sample Indicators of Proficiency

- Therapist has a clearly defined plan to assess the impact of the therapeutic services.
- Impact is assessed relative to goals for therapy.
- Evidence of impact informs improvement of therapeutic services.
- Assessment and improvement strategies are documented.

## Domain 2: Environment

		<b>Unsatisfactory</b>	<b>Basic</b>	<b>Proficient</b>	<b>Distinguished</b>
<b>2a:</b> <b>Knows and develops positive and respectful interactions with students</b>		<p>Therapist does not know the students served and does not exhibit respectful and caring interactions with them.</p> <p>Students do not appear comfortable in the therapeutic setting.</p>	<p>Therapist's interactions with students are generally appropriate, but there is limited success in promoting respectful and caring interactions among the youngsters.</p>	<p>Therapist models and promotes respectful and supportive interactions with each student, actively encouraging students to interact with each other in respectful and caring ways.</p>	<p>Students and Therapist collaborate to maintain the positive climate promoted by the Therapist. Students monitor their own interactions to ensure they are both respectful and supportive.</p>

<p><b>Sample Indicators of Proficiency</b></p> <ul style="list-style-type: none"> <li>• Therapist models the expected behaviors by treating all students in respectful and caring ways.</li> <li>• There is a marked absence of sarcasm, put-downs, and any form of negative interactions or bullying among the students.</li> <li>• Therapist and students demonstrate genuine concern and caring for each other.</li> <li>• Students indicate that they feel safe in the program environment.</li> </ul>	<p><b>Sample Indicators of Proficiency</b></p> <ul style="list-style-type: none"> <li>• Therapist models the expected behaviors by treating all students in respectful and caring ways.</li> <li>• There is a marked absence of sarcasm, put-downs, and any form of negative interactions or bullying among the students.</li> <li>• Therapist and students demonstrate genuine concern and caring for each other.</li> <li>• Students indicate that they feel safe in the program environment.</li> </ul>
--	--

### Environment (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>2b:</b> Sets priorities and organizes time	Priorities are not clearly defined and time is not well managed, causing negative impact on scheduling and the timely completion of reports.	Time is somewhat organized, ensuring that required activities are completed, although not necessarily efficiently.	Priorities are well ordered, ensuring that the therapeutic work proceeds on time and efficiently. Schedules are defined and communicated to students and teachers.	Effective and efficient time management skills help ensure that therapeutic activities run smoothly and on schedule. Students, teachers, and families/caregivers know and understand the schedule of services.

#### Sample Indicators of Proficiency

- Priorities are set and communicated with critical stakeholders.
- Therapeutic programs and activities are delivered as scheduled
- Students and teachers know the schedule for services
- The ordered priorities inform the schedules

Environment (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
2c: Develops and promotes referral processes and procedures	There is no evidence of processes and procedures to guide referrals to the therapeutic program.	Therapist has developed a rudimentary set of processes and procedures to guide referrals, but families/caregivers and teachers do not understand them.	Referral processes and procedures are well defined. All stakeholders know and understand what to do to refer a student.	Therapist develops referral processes and procedures in collaboration with school staff. Referral processes and procedures are effectively communicated and understood by all.
Sample Indicators of Proficiency				
<ul style="list-style-type: none"> <li>• Referral processes and procedures are clearly codified.</li> <li>• Therapist communicates the processes and procedures to all stakeholders.</li> <li>• Teachers understand how to refer a student for services.</li> <li>• Families/caregivers indicate that they understand the referral process.</li> </ul>				

### Environment (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>2d:</b> <b>Develops and enforces standards for student conduct</b>	<p>Standards for student conduct have not been established and there is little or no attention paid to managing student behavior.</p> <p>Misbehaviors are addressed in ways that are harsh or inappropriate.</p>	<p>Standards of conduct are posted, but these are inconsistently reinforced by the Therapist and students. Student behavior is monitored relative to the standards.</p> <p>Misbehaviors are addressed inconsistently.</p>	<p>Standards of conduct are evident and referenced by the Therapist and students. Student behavior is monitored relative to the standards.</p> <p>Students understand that there are consequences for misbehaviors, and misbehaviors are addressed appropriately.</p>	<p>Students help define the standards of behavior and hold themselves and their classmates accountable for honoring these.</p> <p>Therapist helps promote the standards beyond the therapeutic space, framing a culture of expectations for student behaviors throughout the school.</p>

#### Sample Indicators of Proficiency

- Therapist prevents off-task behaviors by proactively referencing the standards of conduct.
- Student misbehaviors are addressed immediately and appropriately.
- Students demonstrate understanding of the standards of behavior.
- Student behavior is monitored consistently.

## Environment (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>2e:</b> <b>Organizes physical space to support program goals and activities</b>	<p>The physical space is disorganized and not arranged to support program activities, compromising the achievement of program goals.</p> <p>Access to program resources and equipment is constrained.</p>	<p>The physical space is safe and reasonably organized to support some program activities, but it is not flexible enough to support the various learning experiences that take place as part of the program.</p> <p>Students can usually locate and access resources and equipment, although time is wasted in looking for these.</p>	<p>The physical space is safe and well organized to support the program activities and goals. Students can readily and independently access resources and equipment they need.</p>	<p>The physical space is safe and organized in a flexible and inviting manner, fully supporting program activities.</p> <p>The students collaborate with the Therapist to maintain the physical space and reorganize as necessary to support emerging needs.</p>

**Sample Indicators of Proficiency**

- The physical space is well organized.
- Students can quickly and easily access all necessary materials, supplies, and equipment and put them away in their designated spaces.
- The physical arrangement promotes and supports multiple program activities.
- Students indicate that they feel safe and comfortable in the therapeutic environment.

### Domain 3: Delivery of Services

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>3a:</b> <b>Assesses referred students</b>	Therapist ignores referrals and does not see the students, or sees referred students but makes an inadequate assessment of their needs.	Therapist reluctantly responds to referrals and makes an adequate assessment of the needs of students.	Therapist responds to referrals in a timely and professional manner, making a complete and thorough assessment of the needs of each student.	Therapist responds quickly and professionally to referrals and helps teachers and administrators understand how to identify students for referral. Assessments are comprehensive and competent.
		<p><b>Sample Indicators of Proficiency</b></p> <ul style="list-style-type: none"> <li>• Therapist responds to referrals in a professional manner.</li> <li>• Assessment of referred students is timely and complete.</li> <li>• Assessments are thorough.</li> <li>• Teachers feel confident referring students for therapeutic services.</li> </ul>		

### Delivery of Services (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>3b:</b> Implements treatment aligned with students' needs and goals	Treatment is not aligned with the needs and goals identified through the referral and assessment process.	Treatment is only somewhat aligned with the needs and goals identified through the referral and assessment process, and so treatment is not entirely appropriate to address student needs.	Treatment is effectively aligned with the identified needs and goals and is appropriate to address student needs.	Treatment is comprehensive in scope, inventive, and tightly aligned with the needs and goals identified through the referral and assessment process.

**Sample Indicators of Proficiency**

- Treatment aligns with the needs and goals identified through the assessment and referral process.
- Treatment appropriately addresses the identified needs and goals to encourage student success.
- Therapist can explain how the treatment is being implemented.
- Treatment focuses on data-informed strategies to remove barriers to learning.

### Delivery of Services (continued)

Component	Unsatisfactory	Basic	Proficient	Levels of Performance	
				Distinguished	
<b>3c:</b> Ensures the use of therapeutic techniques and strategies in sessions and in classrooms	<p>Therapeutic treatment is either undefined or insufficiently defined to promote full implementation in one-on-one sessions or small group sessions with students.</p> <p>No effort is made to work with teachers to support these students in the classroom setting.</p>	<p>A limited number of therapeutic strategies and techniques are fully implemented in sessions.</p> <p>Minimal effort is made to work with teachers to implement strategies in classrooms that would support student needs.</p>	<p>A range of therapeutic strategies and techniques are fully implemented in sessions.</p> <p>Sufficient effort is made to work with teachers to implement strategies in classrooms that support student needs.</p>	<p>A wide range of therapeutic strategies and techniques are fully implemented in sessions.</p> <p>Therapist works closely with teachers to help them adjust their instructional strategies, lesson goals, and physical space to best meet the needs of the students served.</p>	

<b>Sample Indicators of Proficiency</b>	<ul style="list-style-type: none"> <li>• Therapist ensures teachers understand student needs and treatment plans.</li> <li>• Therapist works with teachers to implement strategies in the classroom to support student needs.</li> <li>• Therapist monitors implementation in the classrooms.</li> <li>• Therapist promotes full implementation of the planned services for all sessions, as appropriate.</li> </ul>
---	--

### Delivery of Services (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>3d:</b> <b>Uses data to adjust treatment during delivery of services</b>	<p>Therapist does not use a defined system to monitor impact of treatment during delivery.</p> <p>Data is not used to adjust treatment during delivery.</p>	<p>Therapist uses a somewhat defined system to monitor impact of treatment during delivery.</p> <p>Data is used minimally to adjust treatment during delivery.</p>	<p>Therapist uses a clearly defined system for monitoring impact of treatment during delivery.</p> <p>Data is used regularly to adjust treatment during delivery.</p>	<p>Therapist has a sophisticated system for monitoring impact of treatment during delivery, and this system is shared with critical stakeholders.</p> <p>Data is used regularly to adjust treatment during delivery, and these adjustments are frequently reported to stakeholders.</p>

Sample Indicators of Proficiency
<ul style="list-style-type: none"> <li>• Therapist provides written records showing the use of a system to monitor impact of treatment.</li> <li>• Student challenges and accomplishments, relative to planned treatment, are clearly documented.</li> <li>• Adjustments made by therapist during delivery of services are recorded.</li> <li>• Therapist continually improves treatment to meet student needs.</li> </ul>

### Delivery of Services (continued)

Component	Level of Performance	Levels of Performance			
		Unsatisfactory	Basic	Proficient	
<b>3e: Demonstrates responsiveness to students' needs</b>		<p>Therapist follows the planned program for service delivery, regardless of whether or not it continues to adequately address students' needs.</p> <p>Developmental levels, cultural proficiency, and linguistic levels are not taken into consideration.</p>	<p>Moderate changes are made to the treatment plan when emerging needs foster a new view of the treatment.</p> <p>Developmental levels, cultural proficiency, and linguistic levels are taken into consideration in a limited way.</p>	<p>Therapist uses existing and emerging evidence to guide appropriate changes to the planned services in order to better meet students' needs.</p> <p>Developmental levels, cultural proficiency, and linguistic levels are taken into consideration.</p>	<p>Therapist regularly reviews the implementation and impact of the planned treatment, integrating this analysis with input from critical stakeholders, to inform ongoing revisions to the treatment plan.</p> <p>Developmental levels, cultural proficiency, and linguistic levels are critical factors in shaping revised plans.</p>

#### Sample Indicators of Proficiency

- Program plans are adapted to address emerging student needs.
- Students feel comfortable letting Therapist know when they do not feel program services are addressing their needs.
- Therapist uses multiple forms of data to identify how effectively program services align with students' needs.
- The services program is designed to be both responsive and flexible.

#### Domain 4: Professional Responsibilities

Component	Unsatisfactory	Levels of Performance			Distinguished
		Basic	Proficient	Distinguished	
4a: <b>Reviews and reflects on practice to inform recommendations for improvement</b>	<p>The therapist either does not reflect on practice or provides inaccurate recommendations for improvement.</p> <p>Recommendations are often too global to inform any meaningful recommendations for improvement.</p>	<p>Therapist's reflections are generally accurate and focused on the effectiveness of services delivery.</p>	<p>Therapist accurately reflects on the implementation and impact of the therapeutic services, providing concrete and specific examples of challenges and successes.</p>	<p>Recommendations are specific and focused on program improvement.</p>	<p>Therapist's reflections are both specific and perceptive, not only citing evidence for the reflections, but also applying professional judgment to determine why goals were or were not met.</p> <p>Recommendations are specific and focused on program improvement.</p>

#### Sample Indicators of Proficiency

- Therapist identifies overall program impact, citing specific examples as evidence.
- Therapist identifies program challenges and makes recommendations to address these.
- Therapist presents concrete recommendations to improve program implementation and impact.
- Therapist presents concrete recommendations to improve program implementation and impact.
- Therapist and client reflect on the success of the therapeutic services, identifying areas for improvement.

### Professional Responsibilities (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>4b:</b> Keeps accurate records and writes timely and appropriate reports	Therapist keeps minimal or no records of services provided.  Program reports are inadequate or inappropriate for the intended audience.	Therapist keeps some records of services provided.  Reports are often inappropriate for the intended audience but usually accurate.	Therapist keeps records of student growth and needs from each of the services provided.  Treatment reports are timely, accurate, and appropriate for the intended audience.	Therapist keeps records of student growth and needs from all services provided and incorporates data from other sources to inform next steps.  Treatment reports are timely, accurate, comprehensive, and specifically developed for the intended audience.
<b>Sample Indicators of Proficiency</b>				
<ul style="list-style-type: none"> <li>• Therapist takes notes and writes reflections after services are provided.</li> <li>• Notes reflect both challenges and growth for individuals and groups of students.</li> <li>• Therapist develops timely and accurate treatment reports.</li> <li>• Treatment reports are appropriate for the intended audience.</li> </ul>				

**Professional Responsibilities (continued)**

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>4c:</b> <b>Communicates effectively with families/caregivers</b>	<p>Therapist does not effectively explain the goals, processes, and procedures of the therapeutic program in ways that are clear and appropriate for the students and their families/caregivers.</p> <p>Necessary permissions are obtained, but the reasons for the identified services are not always made clear.</p>	<p>The goals, processes, and procedures of the therapeutic program are presented to students and their families/caregivers in ways that are only partially successful.</p> <p>Necessary permissions are obtained, but the reasons for the identified services are not always made clear.</p>	<p>The goals, processes, and procedures of the therapeutic program are presented to students and their families/caregivers in ways that are both appropriate and culturally and linguistically sensitive.</p> <p>Consent for the services is provided.</p>	<p>Therapist provides oral and written information to families/caregivers in ways that are appropriate and culturally and linguistically sensitive, and reaches out to ensure the information is understood.</p> <p>Families/caregivers provide informed consent for the services.</p>
<b>Sample Indicators of Proficiency</b>				
<ul style="list-style-type: none"> <li>• Therapist explains the goals, processes, and procedures of the planned program to families/caregivers.</li> <li>• Therapist ensures that communication to families/caregivers is provided in the appropriate language.</li> <li>• Therapist uses cultural sensitivity in presenting information to families/caregivers.</li> <li>• Therapist presents documentation showing consent by families/caregivers for the services provided.</li> </ul>				

### Professional Responsibilities (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>4d:</b> <b>Engages with the larger school and district community</b>	<p>Therapist does not participate in school or district committees, projects, and/or events. Professional relationships with peers are distant or negative.</p>	<p>Therapist selectively engages with school and district committees, projects, and/or events, typically when asked. Professional relationships with colleagues are courteous.</p>	<p>Therapist actively participates in, supports, and contributes to school and district committees, projects, and/or events. Professional relationships are positive, cooperative, and productive.</p>	<p>Therapist seeks opportunities to engage in school and district events, projects, and/or committees and makes significant contributions to these, often taking a leadership role.</p>

#### Sample Indicators of Proficiency

- Therapist seeks opportunities to be an active and productive team player in the school and district.
- Therapist's professional relationships with school and district professionals focus on working together to best address the needs of all students.
- School and district professionals welcome the participation and engagement of the Therapist on committees and at events.
- Therapist's contributions are valued by the school and district staff.

Professional Responsibilities (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>4e: Enhances professional capacity through ongoing professional learning</b>	<p>Therapist does not participate in professional learning.</p>	<p>Therapist participates only in professional learning that is required by the district or state and does not share any professional learning with colleagues.</p>	<p>Therapist seeks and engages in professional learning opportunities and schedules opportunities to share the professional learning with colleagues.</p>	<p>Therapist seeks out formal and informal professional learning opportunities, including feedback from colleagues, and applies this learning to improve service delivery and to increase the professional knowledge and skills of colleagues.</p>

<p><b>Sample Indicators of Proficiency</b></p> <ul style="list-style-type: none"> <li>• Therapist seeks professional learning opportunities within the school.</li> <li>• Therapist seeks professional learning opportunities beyond the school district.</li> <li>• Therapist informally shares new learning and skills with colleagues.</li> <li>• Therapist provides workshops to share new learning and skills with colleagues.</li> </ul>
--

### Professional Responsibilities (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>4f: Demonstrates high standards of professionalism</b>	<p>Therapist's professional interactions are marked by lack of honesty and questionable integrity.</p> <p>Basic principles of confidentiality and school/district regulations and/or requirements are violated.</p>	<p>Therapist is generally honest with stakeholders and typically acts with integrity.</p> <p>Confidentiality is honored, but school/district regulations are inconsistently addressed.</p>	<p>Therapist's interactions are marked by honesty and integrity in the service of all clients.</p> <p>School/district regulations and confidentiality are observed.</p>	<p>Therapist displays the highest standards of honesty and integrity, challenging negativity and/or lack of integrity in any aspect of the service delivery.</p> <p>School/district regulations and confidentiality are consistently observed.</p>

#### Sample Indicators of Proficiency

- Therapist does not engage in discussions about clients that may violate their confidentiality in anyway.
- Therapist promotes concerns about confidentiality among the faculty.
- Therapist provides accurate and honest information about the services and their impact.
- All school and district regulations are observed.

## Rubrics for Instructional Specialists

Instructional Specialists include Instructional Coaches, Curriculum Coordinators, and others whose focus is on supporting effective teaching and improved learning.

The following rubrics for Instructional Specialists are aligned with the four domains of the Danielson Framework for Teaching.

**Instructional Specialists**  
**Domain 1: Planning and Preparation**

Component		Levels of Performance			Distinguished
		Unsatisfactory	Basic	Proficient	
1a: Demonstrates understanding of the underlying research, theories, knowledge, and skills of the discipline		Specialist demonstrates little or no understanding of the critical concepts and content of the discipline.	Specialist demonstrates limited understanding of the critical concepts and content of the discipline and of the range of proven strategies to effectively provide the instructional support services.	Specialist demonstrates solid understanding of the critical concepts and content of the discipline and of a range of research-based practices to provide the instructional support services.	Specialist demonstrates extensive understanding of the critical concepts and content of the discipline and of an extensive range of research-based practices and strategies to provide the instructional support services.
<b>Sample Indicators of Proficiency</b>					
<ul style="list-style-type: none"> <li>• Specialist demonstrates understanding of the research-based theories of the discipline.</li> <li>• Specialist articulates the critical concepts of the discipline.</li> <li>• Specialist demonstrates knowledge of a range of research-based practices to inform the improvement efforts.</li> <li>• Specialist has a firm understanding of the knowledge base of the discipline.</li> </ul>					

### Planning and Preparation (continued)

Component		Levels of Performance			
		Unsatisfactory	Basic	Proficient	Distinguished
<b>1b:</b> Identifies the instructional improvement needs of the teachers served	Specialist has little to no knowledge of the instructional improvement needs of the teachers served.	Specialist has limited knowledge of the teachers' instructional improvement needs.	Specialist knows the instructional improvement needs of the teachers served.	Specialist proactively seeks additional knowledge about each teacher's instructional improvement needs to understand how to best support teachers in implementing the school's programs.	

Sample Indicators of Proficiency	
	<ul style="list-style-type: none"> <li>• Specialist has observed the instructional practices relative to a research-based framework.</li> <li>• Specialist has identified the levels of performance of the teachers relative to the framework.</li> <li>• Specialist collects and analyzes instructional data through walkthroughs.</li> <li>• Specialist assesses instructional improvement needs relative to the demands of the school programs.</li> <li>• </li> </ul>

### Planning and Preparation (continued)

Component		Levels of Performance		
		Unsatisfactory	Basic	Proficient
1c: Identifies clear, specific, and appropriate goals for the instructional support program	Specialist's goals are either inappropriate or unclear. The goals do not align with the teachers' needs.	Specialist's goals are partially defined and/or minimally aligned with teachers' needs for instructional support.	Specialist's goals are clear, specific, and appropriate for the needs of the teachers and the school program. Teachers accept and endorse the goals.	Specialist's goals have been designed in collaboration with teachers and school leaders, and are tightly aligned with both teachers' instructional needs and the school program.

**Sample Indicators of Proficiency**

- Specialist's instructional goals are clearly defined
- Specialist's goals are aligned with the needs of the teachers
- Specialist's goals are appropriate for the school program
- Teachers indicate they understand the specialist's goals

### Planning and Preparation (continued)

Component	Unsatisfactory	Levels of Performance		Distinguished
		Basic	Proficient	
<b>1d:</b> Identifies resources for the instructional support program that are available within and also outside the school/district	Specialist does not identify resources to support the instructional support program.	Specialist has limited knowledge of resources within the school and district that can be used to improve teachers' instructional skills.	Specialist can readily identify appropriate human and material resources within the school and district, or beyond, that can help teachers build their instructional capacity.	Specialist proactively seeks a wide range of resources from multiple sources to build the instructional capacity of the teachers. Teachers share their knowledge of external resources with the Specialist.

#### Sample Indicators of Proficiency

- Specialist describes teachers' strengths and areas in need of instructional support.
- Specialist identifies necessary human and material resources for the instructional support program.
- Specialist identifies where these resources are located
- Teachers describe the resources they need to meet their instructional improvement goals.

### Planning and Preparation (continued)

Component	Level of Performance	Proficiency		
		Basic	Proficient	Distinguished
<b>1e: Plans a coherent program of instructional support fully integrated with the school program</b>	<p>Specialist's instructional support program is either not planned or planned independently of the school program and the capacity of the faculty to implement the school program.</p> <p>The planned instructional support program is based on a series of disconnected professional learning "events" that lacks coherence.</p>	<p>The planned instructional support program is integrated with the school program in limited ways.</p> <p>The planned instructional support program reflects a limited degree of coherence.</p>	<p>The planned instructional support program is fully integrated with the school program.</p> <p>The planned instructional support program offers an organized and coherent approach to instructional improvement.</p>	<p>The planned instructional support program is fully integrated with the school program and designed to drive its goals.</p> <p>The planned instructional support program is coherent and helps bring additional coherence to the school program.</p>

#### Sample Indicators of Proficiency

- The instructional support program is designed to provide an aligned and coordinated approach to professional learning.
- The instructional support program is focused on clearly defined goals and objectives.
- Specialist aligns instructional support programs with the data-informed needs for improvement.
- Specialist ensures the instructional support program builds on and enhances the capacity of faculty to deliver the school program.

### Planning and Preparation (continued)

Component	Unsatisfactory	Basic	Levels of Performance		
			Proficient	Distinguished	
<b>1f:</b> <b>Develops a plan and process for the ongoing assessment and improvement of the instructional support program</b>	<p>There is no evidence of a plan or process to assess the efficacy of the instructional support program to guide program improvements.</p>	<p>Specialist has developed a basic plan and process to assess the instructional support program, but has not indicated how the data will be used to inform improvements.</p>	<p>Specialist has developed a coherent plan and process to measure both the implementation of the instructional support program, and its impact, relative to the stated goals. Evidence of success is clearly stated.</p> <p>Assessment data is used to guide program improvement.</p>	<p>Specialist has developed a sophisticated plan for assessing the implementation and impact of the instructional support program, relative to the stated goals. Multiple forms of evidence of success, including assessments by the teachers, are clearly defined.</p> <p>Assessment data is used to guide practice-focused discussions among stakeholders that will inform program improvement.</p>	

### Sample Indicators of Proficiency

- Specialist has developed a clear plan to assess the implementation and impact of the instructional support program.
- The planned assessment focuses on both the processes and the outcomes of the support program.
- Assessment data is shared and discussed.
- Assessment data is used to inform program revisions and improvement.

## Domain 2: Environment

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>2a:</b> <b>Creates a respectful and emotionally safe culture that promotes collaboration</b>	<p>Specialist has not created an environment where teachers feel safe asking for assistance. There is no evidence of collaboration in addressing problems of practice.</p>	<p>Many teachers participate in professional learning initiated by the Specialist, but there is limited evidence of collaboration in designing the professional learning or in setting goals for improved instruction.</p> <p>Teachers indicate that they feel relatively safe participating in the professional learning developed by the Specialist.</p>	<p>Most teachers participate in professional learning initiated by the Specialist. Some teachers initiate contacts with the Specialist to seek support for collaborative efforts to improve instructional practices.</p> <p>Teachers indicate that the instructional improvement efforts are respectful and responsive.</p>	<p>Teachers work collaboratively with the Specialist to co-develop and participate in improvement-focused professional learning.</p> <p>Teachers indicate that their contributions are respected and valued, promoting a culture of collaboration.</p>

### Sample Indicators of Proficiency

- Instructional improvement efforts take the social and emotional needs of teachers into consideration.
- Specialist ensures the planned work is flexible to be able to respond to teachers' needs.
- The program acknowledges and respects the existing knowledge and skills of the faculty.
- Specialist ensures all teacher conversations are confidential.

## Environment (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>2b:</b> Promotes a culture of continuous instructional improvement	<p>Specialist does not communicate that instructional improvement is a continuous process, instead implying that it is a compliance-driven event.</p>	<p>Specialist's attempts to build a culture of continuous improvement are mixed. Some teachers acknowledge the importance of continuous improvement and accept support from the Specialist.</p>	<p>Specialist creates a culture in which continuous improvement is acknowledged as critical work for all staff. Teachers feel comfortable in reaching out for support in their instructional improvement efforts.</p>	<p>Teachers initiate instructional improvement efforts, working collaboratively with the Specialist to define the goals, processes, and methods to measure the implementation and impact of the initiatives.</p>
<b>Sample Indicators of Proficiency</b>				
<ul style="list-style-type: none"> <li>• Specialist helps to promote a "good to Great" mentality in the school.</li> <li>• Specialist keeps the focus on continuous improvement to engage all staff in the work.</li> <li>• Specialist promotes a culture in which questions and requests for support are invited and valued.</li> <li>• Teachers seem comfortable requesting and receiving help.</li> </ul>				

## Environment (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>2c: Develops processes and procedures for teachers to participate in support activities</b>	No processes or procedures are in place. Teachers do not know how to access the services provided by the Specialist.	Teachers have a limited understanding of how to access services offered by the Specialist. Processes and procedures lack the specificity necessary to guide teachers.	Clear processes and procedures are in place to guide teachers in understanding how to access each of the services provided by the Specialist. Teachers understand the procedures and use them to access services.	Clear processes and procedures to access the range of services provided are in place and well communicated. The essential stakeholders participated in developing the procedures and promote their use among the teachers.
<b>Sample Indicators of Proficiency</b>				
<ul style="list-style-type: none"> <li>• Processes and procedures are clearly defined</li> <li>• Teachers can describe how to access instructional support services</li> <li>• Teachers access desired services using the established procedures</li> <li>• Specialist promotes understanding and use of the processes and procedures</li> </ul>				

Environment (continued)

Competency		Levels of Performance			
		Unsatisfactory	Basic	Proficient	Distinguished
<b>2d:</b> Establishes clearly defined norms for professional conduct	Norms for professional conduct have not been defined. Adult interactions can be described as unproductive and often disrespectful.	Specialist makes limited attempts to establish norms for adult interactions. Adult interactions are inconsistently productive and respectful.	Clear norms for guiding professional conduct have been established and promoted within the school. The norms frame productive and respectful interactions among the adults.	Teachers observe the established norms for professional conduct, holding themselves and each other accountable for honoring the norms.	

Sample Indicators of Proficiency

- Specialist has developed and communicated norms for professional conduct.
- Norms for professional conduct contribute to the culture of respect and professionalism.
- Specialist and teachers refer to the norms in discussing interactions.
- Teachers observe the norms.

## Environment (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
2e: Organizes physical space for professional learning	<p>Spaces for group work are poorly organized, resulting in lost time, a sense of chaos, and lack of engagement. The physical environment and the activities designed to support professional learning are poorly aligned.</p> <p>Teachers do not feel comfortable in the space.</p>	<p>Spaces for group work are sufficiently organized so that they do not constrain the professional learning.</p> <p>Teachers generally feel comfortable in the workspace.</p>	<p>Professional learning spaces are well organized to minimize lost time, ensure the engagement of participants, and provide an "adult" environment that is free of distractions.</p> <p>Teachers are comfortable in the physical space.</p>	<p>Teachers and the Specialist collaborate to ensure the physical space is well organized and flexibly designed to support multiple approaches to professional learning.</p> <p>Teachers are comfortable in the physical space and often use it for their own meetings.</p>
<b>Sample Indicators of Proficiency</b> <ul style="list-style-type: none"> <li>• Equipment and materials in the space are readily accessible.</li> <li>• The physical space is flexible to support various learning structures.</li> <li>• The physical space is "adult" in tone and comfortable for the teachers.</li> <li>• Minimal time is lost from professional learning due to a disorganized environment.</li> </ul>				

### Domain 3: Delivery of Services

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
3a: Collaborates with teachers to design rigorous, standards-based classroom instruction	Specialist does not collaborate with teachers in designing classroom instruction.	Specialist provides limited support to teachers in designing classroom instruction. The support is often more cooperative than collaborative.	Specialist promotes and engages in collaborative efforts to work with teachers to design standards-based classroom instruction.	Teachers take the initiative to work with Specialist to design classroom instruction that is standards-based, rigorous, and engaging.
		<b>Sample Indicators of Proficiency</b> <ul style="list-style-type: none"><li>• Teachers are comfortable discussing their instructional plans with the Specialist.</li><li>• Specialist collaborates with teachers to design lesson plans.</li><li>• Specialist collaborates with teachers to develop unit plans that incorporate aspects of the Specialist's academic discipline.</li><li>• Specialist collaborates with teachers to ensure rigorous instruction.</li></ul>		

### Delivery of Services (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>3b:</b> Addresses the instructional improvement needs of the teachers served	The instructional improvement support delivered by the Specialist is of poor quality and does not address the needs of the teachers served.	The instructional improvement support designed and delivered by the Specialist is of mixed quality, addressing the needs of a limited number of the teachers served.	The instructional improvement support designed and delivered by the Specialist is of high quality and appropriately addresses the needs of the teachers served.	The Specialist offers teachers an opportunity to inform the workshops and modeling services in order to ensure a tight alignment with their instructional improvement needs.

**Sample Indicators of Proficiency**

- Teachers state that the instructional improvement services are appropriate for their needs.
- Instructional improvement support—workshops and modeling—are high quality.
- Specialist uses observational data to inform the development of the instructional support provided.
- Specialist ensures a tight fit between teachers' instructional improvement needs and the instructional support provided.

### Delivery of Services (continued)

Component	Level of Performance	Levels of Performance		
		Basic	Proficient	Distinguished
<b>3c: Engages teachers in learning new instructional strategies and practices</b>	<p>Specialist is not successful in promoting professional learning. Teachers do not take part in professional learning.</p>	<p>Specialist has limited success in promoting opportunities for professional learning. Some teachers engage in the professional learning provided.</p>	<p>Specialist successfully engages teachers in learning new instructional strategies and practices. Teachers participate in the professional learning.</p>	<p>Specialist and teachers collaborate on identifying topics for professional learning about instructional strategies and practices. Teachers are highly motivated participants in ongoing professional learning.</p>

#### Sample Indicators of Proficiency

- Teachers welcome and engage in the professional learning opportunities.
- Attendance/service records attest to the participation of teachers.
- Walkthrough data focuses on changes in instructional practice over time.
- Specialist schedules teachers for in-classroom support as they implement the new strategies and practices.

### Delivery of Services (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>3d: Provides relevant and timely feedback to teachers</b>	<p>There is little or no feedback given to teachers regarding their professional growth. Teachers do not appear to be aware of their professional learning goals and do not engage in self-assessment.</p>	<p>Teachers are aware of their learning goals, but feedback to teachers is minimal and inconsistent.</p>	<p>Specialist provides timely and consistent feedback to teachers based on clearly communicated goals for professional growth. Specialist works with teachers to use the feedback regarding their professional growth. Specialist works with teachers to update professional learning goals and/or develop new goals to support ongoing improvement.</p>	<p>Specialist integrates multiple types of evidence, including teacher's self-assessments, to provide timely and consistent feedback to teachers regarding their professional growth. Specialist works with teachers to use the feedback to update professional learning goals and/or develop new goals to support ongoing improvement.</p>

#### Sample Indicators of Proficiency

- Teachers are aware of their own professional learning goals.
- Specialist provides written or oral feedback to teachers within a few days of interacting with the teacher.
- Feedback is organized around clearly communicated goals for professional growth
- Feedback is based on evidence and data collected during the interaction.

### Delivery of Services (continued)

Component	Unsatisfactory	Basic	Levels of Performance		
			Proficient	Distinguished	
<b>3e: Provides responsive professional support</b>	Specialist offers a rigid approach to professional support that is followed regardless of impact or appropriateness.	Specialist sometimes modifies plans/approaches in response to teacher requests or evident needs.	Specialist provides responsive services by adapting and adjusting plans for services as teacher needs and interests change.	Specialist solicits input from key stakeholders to ensure the professional support is appropriate and responsive to the existing and emerging interests and needs of teachers. Services are adapted as needed to ensure responsiveness.	

**Sample Indicators of Proficiency**

- Specialist has evidence of the emerging needs of the teachers.
- Specialist reviews progress and adjusts the program plan as needed.
- Teachers have scheduled meetings to discuss their professional support interests and needs.
- Teachers believe the services are responsive.

#### Domain 4: Professional Responsibilities

Component	Level of Performance	Distinguished		
		Basic	Proficient	Distinguished
<b>4a:</b> <b>Reviews and reflects on practice to inform improvement</b>	<p>Specialist either does not review the counseling practice or provides inaccurate recommendations for improvement.</p>	<p>Specialist's reflections are vague, informing recommendations for improvement that are too global to be actionable.</p>	<p>Specialist accurately reflects on the implementation and the impact of the instructional improvement services, providing concrete and specific examples of challenges and successes.</p> <p>Recommendations for improvement are specific and focused on program improvement.</p>	<p>Specialist's reflections are both specific and perceptive, framed by clear evidence for the recommendations provided. Specialist's professional judgment and expertise help shape specific recommendations for alternative approaches to meeting the instructional improvement goals.</p>

#### Sample Indicators of Proficiency

- Specialist provides written recommendations for improving the instructional support program.
- Challenges are fully defined and actionable recommendations are provided to address these.
- Successes are shared with the broader community.
- Teachers share their recommendations for improvement.

### Professional Responsibilities (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>4b:</b> Follows established procedures for developing and submitting accurate and timely records, budgets, and reports	<p>Specialist does not follow procedures that have been established for developing and submitting required documents. Required documents are usually inaccurate and late.</p>	<p>Specialist has limited success in following established procedures to prepare accurate budgets, service records, and reports. Required documents are often submitted late.</p>	<p>Specialist follows established procedures to guide the development of budgets, service records, and reports. Required documents are accurate and submitted on time.</p>	<p>Specialist follows and informs the improvement of established procedures for developing and submitting required reports. Budgets are designed to support improvement by reflecting diagnosed needs. Required documents are accurate, submitted on time, and generally viewed as exemplars to guide the work of others.</p>

### Sample Indicators of Proficiency

- Specialist follows established procedures for developing required documents.
- Specialist's reports are accurate.
- Specialist's reports are developed in a timely manner.
- Specialist's reports are submitted in a timely manner.

### Professional Responsibilities (continued)

Component		Levels of Performance		
		Basic	Proficient	Distinguished
<b>4c: Coordinates improvement efforts with other Specialists</b>	Specialist tends to work in isolation, not coordinating improvement efforts in any way with other Specialists at the school.	Specialist is inconsistent in coordinating improvement efforts with other Specialists at the school, inhibiting a common vision and aligned focus for the work.	Specialist consistently coordinates improvement efforts with other Specialists at the school, creating a single vision of effective instruction and a clear and aligned approach to leveraging this.	Specialist seeks opportunities to coordinate improvement efforts with other Specialists at the school and with other stakeholders, including external stakeholders, who can provide support for the improvement work.

**Sample Indicators of Proficiency**

- Specialists meet as a community of practitioners to share information about their work.
- School-based Specialists schedule common time for joint planning and discussions.
- Specialists align their individual work with the overarching school goals.
- Specialists develop a common vision of effective instruction to guide their work.

## Professional Responsibilities (continued)

Component	Unsatisfactory	Levels of Performance		
		Basic	Proficient	Distinguished
<b>4d:</b> <b>Engages with the larger school community</b>	Specialist does not participate in school committees, projects, and/or events. Professional relationships with peers are distant or negative.	Specialist selectively engages with school committees, projects, and/or events, typically when asked. Relationships with colleagues are professionally courteous.	Specialist actively participates in, supports, and contributes to school committees, projects, and/or events. Professional relationships are positive, cooperative, and productive.	Specialist seeks opportunities to engage in school events, projects, and/or committees and makes significant contributions to these, often taking a leadership role.
<b>Sample Indicators of Proficiency</b> <ul style="list-style-type: none"> <li>• Specialist is an active participant on key committees in the school.</li> <li>• Teachers indicate they have positive professional relationships with the Specialist.</li> <li>• Specialist is often seen at school events—before, during, or after school hours.</li> <li>• Teachers feel their professional relationships with the Specialist are productive.</li> </ul>				

### Professional Responsibilities (continued)

Component	Unsatisfactory	Basic	Levels of Performance		
			Proficient	Distinguished	
4e: Enhances professional capacity through ongoing professional learning	Specialist does not participate in professional learning.	Specialist participates only in professional learning required by the district or state.  Specialist makes limited attempts to share the professional learning with school staff.	Specialist seeks professional learning opportunities, including coaching, to improve professional practice.  Specialist schedules opportunities to share the professional learning with colleagues.	Specialist seeks out formal and informal professional learning, including feedback from colleagues and attendance at professional conferences.  Specialist applies this learning to improve the counseling services and to increase the professional knowledge and skills of colleagues.	Specialist seeks out formal and informal professional learning, including feedback from colleagues and attendance at professional conferences.
<p><b>Sample Indicators of Proficiency</b></p> <ul style="list-style-type: none"> <li>• Specialist participates in a range of professional learning to expand and enhance professional knowledge and skills.</li> <li>• Specialist creates opportunities for informal sharing of the new professional knowledge and skills.</li> <li>• Specialist attends local and national conferences to explore cutting-edge thinking.</li> <li>• Specialist visits other schools to learn new approaches to instructional improvement.</li> </ul>					

### Professional Responsibilities (continued)

Component	Unsatisfactory	Basic	Levels of Performance		
			Proficient	Distinguished	
<b>4f: Demonstrates professionalism by adhering to the highest standards of integrity and confidentiality</b>	<p>Specialist violates teachers' confidentiality and acts with low levels of integrity.</p> <p>Teachers do not trust this Specialist.</p>	<p>Specialist is inconsistent in honoring both confidentiality and professional integrity.</p> <p>Teachers have low levels of trust in this Specialist.</p>	<p>Specialist frames all professional interactions with high standards of professionalism, honesty, integrity, and confidentiality.</p> <p>Teachers trust this Specialist.</p>	<p>Specialist is well regarded as someone who consistently displays the highest standards of honesty, integrity, and confidentiality, challenging negativity and promoting high standards of professionalism throughout the school.</p> <p>Teachers seek out and trust this Specialist.</p>	
<b>Sample Indicators of Proficiency</b>					
<ul style="list-style-type: none"> <li>• Teachers voice their trust in the Specialist.</li> <li>• Specialist is known to operate with a high degree of integrity.</li> <li>• Teachers are comfortable that their discussions will be confidential.</li> <li>• Specialist demonstrates professionalism in all aspects of the work.</li> </ul>					

## Evidence of Professional Practice – Nurse

(Last Revision: September 4, 2011)

Nurse \_\_\_\_\_ School \_\_\_\_\_

Grade Level(s) \_\_\_\_\_ Date \_\_\_\_\_

**Directions:** This form may be used to keep a record of evidence you collect throughout the year.

### Domain 1: Planning and Preparation

Component	Unsatisfactory	Basic	Proficient	Distinguished
1a. Demonstrating medical knowledge and skill in nursing techniques	Nurse demonstrates little understanding of medical knowledge and nursing techniques.	Nurse demonstrates basic understanding of medical knowledge and nursing techniques.	Nurse demonstrates understanding of medical knowledge and nursing techniques.	Nurse demonstrates deep and thorough understanding of medical knowledge and nursing techniques.
<b>Evidence →</b>	1. Reflective Journal 2. Formal/informal Observations 3. Professional Development Pursued 4. Professional Development Provided			
<b>Notes →</b>	b: Demonstrating knowledge of child and adolescent development	Nurse displays partial knowledge of child and adolescent development.	Nurse displays accurate understanding of the typical developmental characteristics of the age group, as well as exceptions to the general patterns.	In addition to accurate knowledge of the typical developmental characteristics of the age group and exceptions to the general patterns, nurse displays knowledge of the extent to which individual students follow the general patterns.
<b>Evidence →</b>		3. Attendance at School Family Functions 4. Nurse's records	5. Conversations with Students 6. Conversations with Nurses about their Students	
<b>Notes →</b>				

Component	Unsatisfactory	Basic	Proficient	Distinguished
1c: Establishing goals for the nursing program appropriate to the setting and the students served	Nurse has no clear goals for the nursing program, or they are inappropriate to either the situation or the age of the students.	Nurse's goals for the nursing program are rudimentary and are partially suitable to the situation and the age of the students.	Nurse's goals for the nursing program are clear and appropriate to the situation in the school and to the age of the students.	Nurse's goals for the nursing program are highly appropriate to the situation in the school and to the age of the students and have been developed following consultations with students, parents, and colleagues.
<b>Evidence→</b>	<ul style="list-style-type: none"> <li>1. Reflective Journal</li> <li>2. Formal/Informal Observations</li> <li>3. Professional Development Pursued</li> <li>4. Professional Development Provided</li> </ul>			
<b>Notes →</b>				
1d: Demonstrating knowledge of government, community, and district regulations and resources	Nurse demonstrates little or no knowledge of governmental regulations and resources for students available through the school or district.	Nurse displays awareness of governmental regulations and resources for students available through the school or district, but no knowledge of resources available more broadly.	Nurse displays awareness of governmental regulations and resources for students available through the school or district and some familiarity with resources external to the school.	Nurse's knowledge of governmental regulations and resources for students is extensive, including those available through the school or district and in the community.
<b>Evidence→</b>	<ul style="list-style-type: none"> <li>1. Reflective Journal</li> <li>2. Formal/Informal Observations</li> <li>3. Professional Development Pursued</li> <li>4. Professional Development Provided</li> <li>5. Formal / Informal Observations</li> <li>6. Communication of Web Subscriptions to Families</li> <li>7. Documentation of outreach to resources outside of school or district</li> <li>8. Use of online subscriptions</li> </ul>			
<b>Notes →</b>				
1e: Nursing program consists of a random		Nurse's plan has a guiding principle	Nurse has developed a plan that	Nurse's plan is highly coherent and

<p>Planning the nursing program for both individuals and groups of students integrated with the regular school program</p>	<p>and includes a number of worthwhile activities, but some of them don't fit with the broader goals.</p>	<p>includes the important aspects of work in the setting</p>	<p>serves to support not only the students individually and in groups, but also the broader educational program.</p>
<p><b>Evidence →</b></p>	<p>1. Counseling plans</p>	<p>2. Formal / Informal Observations</p>	<p>3. Records of collaboration with others</p>
<p><b>Notes →</b></p>	<p>1f: Developing a plan to evaluate the nursing program</p>	<p>Nurse has no plan to evaluate the program or exists suggestions that such an evaluation is important</p>	<p>Nurse's plan to evaluate the program is organized around clear goals and the collection of evidence to indicate the degree to which the goals have been met.</p>
<p><b>Evidence →</b></p>	<p>1. Rubrics</p>	<p>2. Formal and informal observation</p>	<p>3. Reports/documentation</p>
<p><b>Notes →</b></p>			<p>4. Anecdotal Records</p>

Domain 2: The Environment Component	Unsatisfactory	Basic	Proficient	Distinguished
2a. Creating an environment of respect and rapport	Nurses' interactions with at least some students are negative or inappropriate.	Nurse's interactions with students are a mix of positive and negative.	Nurse's interactions with students are positive and respectful.	Students seek out the nurse reflecting a high degree of comfort and trust in the relationship.
<b>Evidence →</b>	<ul style="list-style-type: none"> <li>1. Notes/Comments from parent/guardians, students</li> <li>2. Procedures</li> </ul>	<ul style="list-style-type: none"> <li>3. Formal and informal observation reports/documentation (Nurse/Student, Student/Student, Student/Nurse)</li> </ul>	<ul style="list-style-type: none"> <li>4. Sensitivity of written communication / feedback (Nurse/Student, Student/Student, Student/Nurse)</li> <li>5. Language and displays that support positive character traits</li> </ul>	
<b>Notes →</b>				
2b. Establishing a culture for health and wellness	Nurse makes no attempt to establish a culture for health and wellness in the school as a whole, or among students or among teachers.	Nurse attempts to promote a culture throughout the school for health and wellness are partially successful.	Nurse promotes a culture throughout the school for health and wellness.	The culture in the school for health and wellness, while guided by the nurse, is maintained by both teachers and students.
<b>Evidence →</b>	<ul style="list-style-type: none"> <li>1. Interactions in whole/small group settings</li> </ul>	<ul style="list-style-type: none"> <li>2. Formal/Informal Observations <ul style="list-style-type: none"> <li>a. Nurse Responses promote student intellectual, risk-taking</li> </ul> </li> </ul>		
<b>Notes →</b>	"			
2c. Following health protocols and procedures	Nurse's procedures for the nursing office are nonexistent or in disarray.	Nurse has rudimentary and basically successful procedures for the nursing office.	Nurse's procedures for the nursing office work effectively	Nurse's procedures for the nursing office are seamless, anticipating unexpected situations.
<b>Evidence →</b>	<ul style="list-style-type: none"> <li>1. Formal/Informal Observations</li> </ul>			

Component	Unsatisfactory	Basic	Proficient	Distinguished
	2. One-to-one/Small Group Procedures			
<b>Notes →</b>				
<b>2d. Supervising health associates</b>	No guidelines for delegated duties have been established or the guidelines are unclear. Nurse does not monitor associates' activities.	Nurse's efforts to establish guidelines for delegated duties are partially successful. Nurse monitors associates' activities sporadically.	Nurse has established guidelines for delegated duties and monitors associates' activities.	Associates work independently, indicating clear guidelines for their work. Nurse's supervision is subtle and professional.
<b>Evidence →</b>	1. Written Expectations 2. Discussion/Comments	3. Formal/Informal Observations		
<b>Notes →</b>				
<b>Component</b>	<b>Unsatisfactory</b>	<b>Basic</b>	<b>Proficient</b>	<b>Distinguished</b>
<b>2e. Organizing physical space</b>	Nurse's office is disorderly or is inappropriate to the planned activities. Medications are not properly stored.	Nurse's attempts to create a well-organized physical environment are partially successful. Medications are stored properly, but are difficult to find.	Nurse's office is well organized and is appropriate to the planned activities. Medications are properly stored and well organized.	Nurse's office is efficiently organized and is highly appropriate to the planned activities. Medications are properly stored and well organized.
<b>Evidence →</b>	1. Formal and informal observations of the physical space. a. Are students visible to Nurse? b. Does the arrangement of furniture support communication?	2. Organization and Neatness of Room 3. Nurse documentation/reporting of adaptations to meet student needs		
<b>Notes →</b>				

Domain 3: Delivery of Service		Component	Unsatisfactory	Basic	Proficient	Distinguished
3a. Assessing student needs	Nurse does not assess student needs or the assessments result in inaccurate conclusions.		Nurse's assessments of student needs are perfunctory.	Nurse assesses student needs and knows the range of student needs in the school	Nurse conducts detailed and individualized assessment of student needs to contribute to program planning.	
<b>Evidence →</b>	1. Formal / Informal Observations 2. Evidence of student growth (data)		3. Materials / documents utilized to differentiate language that demonstrates respect and empathy			
<b>Notes →</b>						
3b. Administering medications to students	Medications are administered with no regard to state or district policies		Medications are administered by designated individuals but signed release forms are not conveniently stored.	Medications are administered by designated individuals, and signed release forms are conveniently stored and available when needed.	Medications are administered by designated individuals, and signed release forms are conveniently stored. Students take an active role in medication compliance.	
<b>Evidence →</b>	1. Formal / Informal Observations a. Student Intellectual Risk-Taking is promoted (respectful responses to student questions) 2. Evidence of student growth (data)					
<b>Notes →</b>						

Component	Unsatisfactory	Basic	Proficient	Distinguished
3c: Promoting wellness through classes or classroom presentations	Nurse's work with students in classes fails to promote wellness; through classroom presentations are partially effective.	Nurse's efforts to promote wellness through classroom presentations are partially effective.	Nurse's classroom presentations result in students acquiring the knowledge and attitudes that help them adopt a healthy lifestyle.	Nurse's classroom presentations for wellness are effective, and students assume an active role in the school in promoting a healthy lifestyle.
<b>Evidence→</b>	1. Formal / Informal Observations 2. Evidence of student growth (data)			
<b>Notes →</b>				
3d: Managing emergency situations	Nurse has no contingency plans for emergency situations.	Nurse's plans for emergency situations have been developed for the most frequently occurring situations but not others	Nurse's plans for emergency situations have been developed for many situations.	Nurse's plans for emergency situations have been developed for many situations. Students and teachers have learned their responsibilities in case of emergencies.
<b>Evidence→</b>	1. Records of communications with other programs and agencies 2. Emergency records/materials	3. Formal and informal observation 4. Anecdotal Records		
<b>Notes →</b>				
Component	Unsatisfactory	Basic	Proficient	Distinguished
3e: Demonstrating flexibility and responsiveness	Nurse adheres to the plan or program, in spite of evidence of its inadequacy.	Nurse makes modest changes in the nursing program when confronted with evidence of the need for change.	Nurse makes revisions in the nursing program when they are needed.	Nurse is continually seeking ways to improve the nursing program and makes changes as needed in response to student, parent, or teacher input.

<b>Evidence→</b>	1. Formal / Informal Observations 2. Anecdotal records 3. Respectful feedback that promotes growth
<b>Notes →</b>	
<b>Component</b>	<b>Unsatisfactory</b>  <b>3f. Collaborating with classroom teachers to develop specialized educational programs and services for students with diverse medical needs</b>
	<b>Basic</b>  Nurse declines to collaborate with classroom teachers to develop specialized educational programs and services for students with diverse medical needs.
	<b>Proficient</b>  Nurse collaborates with classroom teachers in developing instructional lessons and units when specifically asked to do so.
	<b>Distinguished</b>  Nurse initiates collaboration with classroom teachers in developing instructional lessons and units, locating additional resources from outside the school.
<b>Evidence→</b>	1. Formal / Informal Observations 2. Anecdotal records
<b>Notes →</b>	

**Domain 4: Professional Responsibilities**

Component	Unsatisfactory	Basic	Proficient	Distinguished
<b>4a: Reflecting on practice</b>	Nurse does not reflect on practice, or the reflections are inaccurate or self-serving.	Nurse's reflection on practice is moderately accurate and objective, without citing specific examples and with only global suggestions as to how it might be improved.	Nurse's reflection provides an accurate and objective description of practice, citing specific positive and negative characteristics. Nurse makes some specific suggestions as to how the nursing program might be improved.	Nurse's reflection is highly accurate and perceptive, citing specific examples. Nurse draws on an extensive repertoire to suggest alternative strategies.
<b>Evidence→</b>	1. Reflective Journal	2. Reflections on Observations	3. Informal Discussions 4. Pre/Post Observation meetings	
<b>Notes →</b>				
<b>4b: Maintaining health records in accordance with policy and submitting reports in a timely fashion</b>	Nurse's reports, records, and documentation are missing, late, or inaccurate, resulting in confusion.	Nurse's reports, records, and documentation are generally accurate, but are occasionally late.	Nurse's reports, records, and documentation are accurate and are submitted in a timely manner.	Nurse's approach to record keeping is highly systematic and efficient and serves as a model for colleagues across the school.
<b>Evidence→</b>	1. Records and documentation	2. Permanent records updated in accordance with district procedures.	3. System in place for anecdotal records 4. Appropriate documentation for IEP and I&RS meetings	
<b>Component</b>	Unsatisfactory	Basic	Proficient	Distinguished
<b>4c: Communicating with families</b>	Nurse provides no information to families, either about the nursing program as a whole or about individual students.	Nurse provides limited though accurate information to families about the nursing program as a whole and about individual students.	Nurse provides thorough and accurate information to families about the nursing program as a whole and about individual students.	Nurse is proactive in providing information to families about the nursing program and about individual students through a variety of means.
