NEW JERSEY CHILD ASSAULT PREVENTION

Program Application – 2022/2023

Elementary, Teen & Special Needs

New Jersey Child Assault Prevention (NJ CAP) fulfills the Erin’s Law compliance requirement. Erin’s Law (A-769/S-1130), signed in 2019, requires all New Jersey school districts to incorporate age-appropriate sexual abuse prevention and awareness education into the New Jersey Student Learning Standards from Pre-K through grade 12. This legislation also requires the training of school personnel on sexual assault awareness and prevention.

PLEASE COMPLETE THE FOLLOWING:

1. What needs does the CAP program meet in your school and/or community?

To promote a positive school culture by increasing the safety and well-being of students, in and outside of school, so they are more available for learning. Our goal is to empower students so they can self-advocate without worry of reprisal to prevent and to reduce their susceptibility to becoming victimized. Also, to maintain a safe learning environment, it is imperative to empower staff and parents to be able to effectively discuss preventing abuse with students.

2. Please provide a statement of broad-based community support for your district.

A committee of staff, representing different areas of expertise within the schools developed a district wide mission statement regarding HIB during the 2012-2013 school year. The mission will continue to be presented on the District website and displayed in the schools. The mission statement has since been updated to reflect guidance from the State Department of Education and supports NJCAP's initiatives by facilitating the goal of helping to empower students to advocate for themselves and others so they are not victims and to allow them to reach their potential.

3. Please provide a statement of in-kind contribution which teaching staff will render on behalf of the project (e.g. additional in-service time, public relations, community outreach, curriculum additions focusing on prevention issues, bulletin boards, etc.).

Additional in-services, such as building level meetings, will be provided for staff to exchange ideas and how to implement the CAP program, discuss concerns, and/or receive further training. Non-instructional staff would be provided the opportunity to attend these meetings. To spread the CAP initiative to the community and to further obtain their support, NJCAP information may be provided to PTA members at meetings and may be advertised on the marquee in front of the Board of Education office as available. The CAP mission and initiatives will be carried out via Physical Education and Health curricula in addition to the Harassment, Intimidation, and Bullying (HIB) program, such as anti-bullying clubs, posters and counseling groups. Bulletin boards and/or informational handouts that convey the mission may also be created and be displayed in the schools as available. The CAP mission could also be implemented through the PBSIS incentive program.

4. Please provide a statement of the service which parent/home organizations will render on behalf of the project.

The building PTAs would be involved to support the CAP mission by helping to promote parent participation and attendance at meetings. NJ CAP information may be presented at PTA meetings.

5. Please provide a statement of future integration of Child Assault Prevention programming in the district. (Will there be plans to continue with a maintenance CAP program?)

In order to continue the establishment of a safe, positive school culture and prevent students from being victims, it would be integral to integrate the CAP program, each year, across curricula, in HIB and bullying programs, extra-curricular activities, and by actively seeking the support of local community organizations and agencies, and the PTA.
