Subject: Stove/oven for classroom

Dear Mr. Salvatore,

Sharon Davino (same donor as last year), would like to donate again to our classroom. She would like to donate a new stove for our class. We are in desperate need for a new stove as the top struggles to light and the inside temperature is inconsistent.

Please let me know if we can accept this donation, and the procedures and paperwork I will/would need for approval.

Thanks for your support.

Good morning. Attached is the paperwork and I ordered a white stove/oven to match the white refrigerators. Once approved, I will let PC Richard know and they can deliver within days after Dec 14th. I will give them you as the contact and have already told them they have to deliver and install in the morning. They will also take the old one away.

Have a great few days off this week.

Sharon
