November 30 , 2023

Mrs. Yolonda Koon
Business Administrator/Board Secretary
Union Board of Education
2369 Morris Avenue
Union, NJ 07083

Dear Mrs. Koon,

Enclosed is a copy of the Nonpublic School Technology Initiative Program spending plan for the following participating school in your district: St. Michael Parish School .

Kindly have this spending plan approved at your next Board of Education meeting by including the following motion on your agenda: "motion to approve the Nonpublic School Technology Initiative Program spending plan for the participating school located within this district."

A copy of the minutes showing your Board's approval of this spending plan must be sent to us immediately following your board meeting. The Union County Educational Services Commission cannot process the purchase orders until we receive the approval from your district.

Thank you for your attention in this matter.

Sincerely,

Paul Palozzola
Director
Nonpublic Services

Enclosure

UNION COUNTY EDUCATIONAL SERVICES COMMISSION

NONPUBLIC SCHOOL TECHNOLOGY INITIATIVE PROGRAM PLAN 2023 - 2024

Public School District: Union

Name of School: St. Michael Parish School

Entitlement: 15,361

This statement verifies that the required conference was held between the undersigned individuals regarding the New Jersey Technology Initiative Program. The public school and UCESC will not reimburse the nonpublic school directly. It is agreed that the entitlement of the above-named school will be used to provide technology according to all DOE rules and regulations.

The following items will be purchased with the money from the Nonpublic School Technology Initiative Program.

| Description |
|---|
| - Learning A-Z schoolwide licenses - \$1040 |
| - CloudKey Gen2 device - speed and usability of internet \$1,699.99 |
| - Starfall schoolwide license - \$355 |
| - 30 ipads Covers \$8.21 x 30 = \$246.30 |
| - Dell Chromebooks - 10 \$69 x 10 = \$690 |
| - schoolwide license for ABCYA - \$299 |

COMPLETE ORDER

Union County Principals' Association Dues

From: Saint Rose of Lima Academy (dsolazzi@stroseshorthills.org)

To: mkazan@smsunion.org

Date: Tuesday, November 28, 2023 at 02:23 PM EST

Dear Principal,

It's that time of year that I must ask for our annual dues in the amount of \$85.00, payable to "Union County Principals' Association". Please mail the dues to the following address:

**Tina Underwood
Saint Rose Of Lima Academy
52 Short Hills Avenue
Short Hills, New Jersey 07078**

The money collected is used to pay for our Christmas and end of the year luncheons. It will also be used for Mass cards, flowers, Barbara Dolan and Mary McElroy's Christmas gifts and any other celebrations that might arise.

Since we will be meeting as one large group, lunches will be paid for by the county.

Thank you for your continued cooperation.

**Tina Underwood
Sincerely,
principal@srlacademy.org**

| Total: | | \$299.99 |

Payment Terms & Renewal: The fees listed above (plus any applicable taxes, as communicated by ABCya.com to School in writing) must be submitted to ABCya.com via check (or other payment method agreed upon by the parties), along with this executed Purchase Order and ABCya Classroom Subscription Order Form, before School will be provided with access to the ABCya.com service. Payment and the executed Order Form should be mailed to: ABCya.com, Attn: Classroom Access, 777 Mariners Island Blvd #600 San Mateo CA 94404. Subscription fees are pre-paid and nonrefundable. School may terminate this Agreement at any time upon written notice to ABCya, but it will not receive a refund or credit for any fees previously paid and will immediately lose access to its Administrator Account and the ABCya.com service upon termination. This Agreement will terminate following conclusion of the Term specified above. In the event that School wishes to renew the Agreement, it must notify ABCya.com in writing of its desire to renew no later thirty (30) days prior to the expiration of the then-current term. Any renewal will be at the then-current rate offered by ABCya.com for its Classroom Access Edition membership tier (plus any applicable taxes), as communicated by ABCya.com to School. ABCya may, in its sole discretion, require School to execute an updated Order Form prior to renewal.

Description

Description

If you need a dependable and powerful calculator, the TI-84 Plus graphing calculator is here to help. This Texas Instruments calculator offers a large amount of memory and 7 different graphing styles, making it great for both high school and college-level coursework.

- The TI-84 Plus CE is an updated version of the TI-83 Plus. Keystroke-for-keystroke compatible with the TI-83 Plus, but with 2.5 times the speed and 3 times the memory.
- Features 7 different graphing styles.
- Offers lots of functions, including equation solving. Includes functions such as financial, trigonometry, statistical, graphic, forecasting, engineering, logarithm and hyperbolic.
- Comes preloaded with software for a variety of courses. Includes interactive software for geometry.
- USB cable included for computer connectivity.
- Permitted for use on many state and standardized tests.

Ready, Set, Drone! Second Edition

Take to the skies with mini drones! Paired with thrilling, easy-to-operate **aerial robotics** equipment, these 12, one-hour, **collaborative** lessons are the perfect introduction to the world of unmanned aerial vehicles (UAVs). In this exploration of UAV technology, **safety** is a priority as students learn to fly and capture aerial photos and videos, exploring the **real-world applications** and possibilities of drones. Putting critical thinking to the test, this **multi-subject, inquiry-driven** curriculum has students problem-solve through a thrilling exploration of drone physics, introducing learners to tomorrow's drone-filled future.

GRADES: 4-8 • STUDENTS: Up to 30 • CONTACT HOURS: 12+
DRONES: 6 • STUDENTS/DRONES: Up to 5:1

Drone Designers: Exploring STEAM Careers

Drones are transforming the world of arts and entertainment, performing alongside artists as diverse as Metallica, Drake and Cirque du Soleil. Follow in the footsteps of the world's most innovative drone designers, weaving together the **engineering design process** and principles of **aerodynamics** to costume, choreograph and code tiny **aerial robots** in creative performances. Get ready to use your imagination and explore the innovative ways drones are being used for good!

Coding with Drones

Coding with Drones combines Tello drones and a library of **application-based, scaffolded** online curriculum resources for educators. With 100+ programming missions and ten (10) **fully-reusable** indoor drones, *Coding with Drones* perfectly melds computer science with one of the fastest-growing technologies, preparing learners for the drone-filled future. Students block code missions in *DroneBlocks*, test their code from anywhere in the *DroneBlocks Tello Simulator* and progress to line-coding in the exclusive *DroneBlocks Code Application*. From applying algebra and geometry in flight missions to exploring Python and JavaScript programming, put the power of flight into the hands of your learners!
