Good evening Mrs. McKenzie,

The National Coalition of 100 Black Women, Central New Jersey Chapter, a 501(c)3 is hosting a new member orientation and installation March 29th. The orientation is an onboarding process in which we provide new membership with the tenets of the organization's mission to advocate for Black women and girls. Our advocacy work is in the areas of health, education, economic empowerment and public policy and advocacy. The installation for the event will be a ceremony and celebration of the new members joining our organization.

Please let me know if you need any additional information.

Regards,

Tonya
