*RE: Letter of Intent and Quote for the year 2025-26.  
Neurodevelopmental / Neuropsychiatric Consultations*

I am sending you a letter of intent. I do not have any formal contract, just this mutual agreement. My charge for the 2025-6 school year will be \$700.00 per case [this applies to consultations conducted in-office or via telehealth, depending on parents' and CST's preferences]. There are no charges for no-shows or hidden fees.

I am a board-certified pediatric neurologist who conducts neuropsychiatric and neurodevelopmental evaluations for school districts in NJ. My office is in Warren Township, in the center of town. I am interested in providing a neurodevelopmental/ neuropsychiatric consultation for your school district. I see cases of ADHD, Autism, developmental delays, Cerebral Palsy, Oppositional Defiant Disorder, Selective Mutism, Anxiety, and Various other conditions that have an impact on learning.

I try to accommodate school students on weekends or late on weekdays at my office, depending on parents' work schedules. I also conduct telehealth evaluations and provide a Doxy.me link to the parent, which they can use from home on a computer or phone. My reports are generally provided within a week or two, but we try our best to stay within your case timelines. There is general communication between Dr. Sinha and the Child Study Team to address the question that they may have about that case. I am also including a few additional papers that are generally requested by other boards to process the letter.

Please feel free to contact me anytime via email or cell number: 732-476-7619 [ for board use only]. Looking forward to working together with good results.

Thank you for your time and interest.
