

REQUEST FOR USE OF HANNAH CALDWELL PARKING LOTS AND ACCESS TO HENDRICKS DRIVE.

The Union County St. Patrick's Day Parade Committee is seeking permission to access the parking lots of Hannah Caldwell Elementary School and rear access to Hendricks Drive on Saturday, March 14, 2026, for the annual Union County St. Patrick's Day Parade.

The access would streamline staging areas for parade participants and allow buses to pass safely without interfering with the parade route along Morris Avenue.
