Congratulations! Your agency's submission for the 2025 School Based Mental Health Services Cont Program discretionary grant program has successfully completed the review process. If this was an application submission, the pre-award review process is complete, and the application is eligible for award. Please view and accept the award on the Application Select page in the EWEG system within 30 days of the date of this notice. Be sure to check the Special Conditions tab in the application for conditions of award prior to acceptance. If this was an amendment submission, the review is complete and the proposed modifications are approved subject to any revisions made by NJDOE during the course of the review.
