Congratulations! The application submitted by your agency for the *High Impact Tutoring Program: Targeted Summer Supplemental* grant program has been evaluated by a panel of reviewers and has been determined eligible for award. Your application is substantially approved, and you may begin implementation of the program as proposed.

For reporting and reimbursement purposes, this program will appear in the EWEG system under Fiscal Year 2026, within the Discretionary Grant section, with the application name *High Impact Payments Only*. Please ensure that all expenditures incurred during the project period through August 31, 2026, are entered using the *High Impact Payments Only* line.

Please note that this is a separate program from the *Learning Acceleration: High Impact Tutoring Program – Cohort 3*. At this time, grantees should not submit reimbursements from this grant program until the close of the targeted summer program in August. Agencies are expected to prioritize the use of available funds under the *High Impact Payments Only* line, where applicable.

If you have any questions regarding implementation, reporting, or reimbursement, please do not hesitate to contact us at NJTutor@doe.nj.gov

Have a great day,
Lisa
