   Middletown, NJ 07748
- 2. Birdsall Services Group 65 Jackson Drive Cranford, NJ 07016

Hourly fee schedule for each proposal is attached.

## REQUEST FOR PROPOSAL FOR CIVIL ENGINEERING SERVICES

The Board of Education of the Township of Union is seeking proposals for Civil Engineering Services from firms which have a strong demonstrated ability to conduct professional engineering services for a school district at one or more of its various facilities, as assigned by the Board of Education. Professional engineering licensure in good standing is required.

Proposals must be in writing and must contain proposed rates for all services, fees and disbursements, if any. The services required to be performed are site/civil engineering; including lighting, landscaping, traffic, storm water, waste water, and any other ancillary public engineering services. There are significant amounts of regulatory compliance issues inherent in the foregoing and, therefore, those firms which submit proposals are advised that proposals must reflect, at a minimum, compliance with all Federal, State and Local laws relating to the work proposed or performed. All fee proposals shall be fixed for one (1) year from the date of award and may not be changed or withdrawn except by permission of the Board. Proposals shall also contain a Certificate of Employee Information Report (AA) and a Business Registration Certificate. Proposals shall be submitted no later than June 8<sup>th</sup>, 2012. Proposals must contain a firm description and a Curriculum Vitae for all professionals who may be assigned to handle projects for the Board. The award shall be made to a vendor whose response is most advantageous to the Board, price and other factors considered. Successful vendors shall be required to provide proof of insurance coverage for general liability, automobile, workers compensation and errors and omissions in the minimum amount of \$5 million in the form approved by the Board Secretary.

Proposals will be opened and read aloud in the Board of Education Conference Room at the Administration Building, 2369 Morris Avenue, Union, New Jersey on June  $8^{th}$ , 2012 at 11:00 a.m. Your proposal must be received prior to that date and time.

Any questions or requests for clarification may be submitted to James J. Damato, General Counsel, Union Board of Education, 2369 Morris Avenue, Union, New Jersey 07083; 908-851-6411

#### 2012 Schedule of Hourly Billing Rates

2012 Schedule of Hourly Billing r	Tates
BILLING TITLE	BILLING RATE/HR
Jr. Technical Staff Administrative Support Staff	\$62.00
Field Staff Professional Entry Level	\$78.00
