RE: Fees/Psychiatric Evaluation Referrals

Please note that I am happy to continue providing psychiatric evaluations for your school district during the upcoming school year **2017-2018**. The fee will remain **\$550** which has been unchanged for a number of years.

Please note the two-step process which may assist me in providing these evaluations for your district:

- 1. Please have the parent call me to schedule the appointment at 973-746-6711. I will then ask the parent to inform you of the date scheduled.**
- 2. Please fax me a letter explaining the reason for referral at 973-226-3130. The district will receive a report within one week of the appointment date.**

Again, thank you for allowing me the opportunity to provide psychiatric evaluations and consultation to your district.

Sincerely,

Mark P. Faber, M.D.
