Equitable Participation of Nonpublic Students for Title I, Part A

- To determine enrollment and low-income status of nonpublic students from your district, use the following procedure:
1. Consult with the district transportation coordinator to obtain the number and address of resident nonpublic students.
 2. Review the district's Private School Transportation Summary to identify nonpublic schools and attending students in the following categories: a) Are transported by the district to and from the nonpublic school as mandated by the state; b) Receive aid in lieu of transportation; c) Receive transportation not mandated by the state (courtesy busing).
 3. Identify any students who were offered district-provided transportation but refused this transportation. These students are ineligible for reimbursement (aid in lieu) and will not appear on the Private School Transportation Summary.
 4. Contact local nonpublic schools for students who walk to a nonpublic school.
 5. Reach out through public notice or other means to count students who may not have been counted in other ways, such as students who have not requested transportation or reimbursement.
 6. Once the students are located, contact the nonpublic schools to identify which students qualify as low-income.
 7. Enter both nonpublic enrollment and low-income counts into the NCLB Consolidated Application on EWEG, Step 1 of the Title I, Part A Eligibility screens.
