RE: Board Agenda

DATE: 2013-04-30

The committee recommends and I so move that the board approve the amount of \$500.00 for a training webinar to be conducted by Curriculum Associates, LLC. The webinar will be for Child Study Team Members to administer and interpret a standardized assessment related to transition. Funding will be drawn from account # 11-000-219-320-02-19.

Curriculum Associates

Proven solutions for student success.

Curriculum Associates publishes research-based, classroom-proven materials that provide flexible, focused, and targeted instruction to help educators effectively address the diverse levels and needs in every classroom. Our programs are designed to meet state-specific standards to help schools across the country meet the rigorous demands of AYP.

Because we are independently owned and operated, we are able to provide the best prices so that every district, school, and educator can afford to bring top quality resources to their students and give them every chance to succeed. By maintaining our independence, we are able to channel our investments toward the things that really matter—like product development, research, and unmatched customer service.

For the past 40 years, we have consistently developed high-quality products that make a profound difference in the lives of students and educators, and we will continue to bring these proven products—as well as new ones—to you in the future.

OUR GUARANTEE

Our goal is to make sure any product you buy meets or exceeds your expectations. We stand behind our programs and products, and we strive to clearly and accurately describe our products and to make the ordering process fast and easy.

If, for any reason, you are not satisfied with your materials, return them for a prompt and courteous credit, exchange, or refund*. Just call us at 800-225-0248.

* Call our Customer Service Department for return authorization for returns over \$1,000.
