Dear Ms. Kim Conti:

My fee for a Neurodevelopmental evaluation will be \$385.00 per child for the school year 2015-16. I am willing to continue to come to the respective school if it is more convenient for the parent, or if direct observation of the student is likely to provide a more accurate and comprehensive assessment.

Sincerely,

Isabel DeTrizio Carotenuto, M.D., F.A.A.P.
Neurodevelopmental Pediatrician
