Approve an increase to PO#18-01234 with Cerebral Palsy of NJ to provide Augmentative and Assistive Technology evaluation services for the 2017 – 2018 school year by \$3,980.00 to meet district needs.

When this service was board approved for the 2017-2018 school year, we had incurred \$2,550.00. Therefore, the budgeted amount of \$2,895.00 appeared reasonable. Although this type of service remained fairly consistent in recent years, the need for augmentative evaluations to meet students' needs in the current year has increased.
