Mr. Gregory Brennan
Union Board of Education
2369 Morris Avenue
Union, NJ 07083

Dear Mr. Brennan:

Enclosed are two copies of the Nonpublic Technology Initiative Agreements for the following participating school in your district: Holy Spirit School.

These agreements contain: (a) a written statement verifying that the required conference with the Nonpublic School Administrator was held, (b) a description of how the technology will be provided to the nonpublic school. **Kindly have these agreements approved at your next Board of Education meeting** by including the following motion on your agenda: **“motion to approve the Nonpublic School Technology Initiative Program Agreements for the participating school located within this district.”** (Note: You have previously had your Board approve UCESC to administer the Nonpublic School Technology Initiative Program).

A copy of the minutes showing your Board's approval of these agreements along with a copy of the agreement(s) must be mailed to the Union County Educational Services Commission immediately following your board meeting. The Commission cannot process the purchase orders until we receive the approval from your district. Retain one copy for your records. The Commission will forward a copy to the nonpublic schools and the County Superintendent. A self-addressed envelope to UCESC for Board's approval agreements is enclosed for your convenience.

Thank you for your attention in this matter.

Sincerely,

Paul Palozzola
Director of Nonpublic Services
