Just received this communication from township recreation. Can we honor this request by adding to communication and discussion item, or do you want to just include this for November work session?

Thanks,

Greg

Good afternoon Mr. Tatum –

Rich D'Avanzo suggested I reach out via email to request that the possibility of Union Recreation using school gyms be put on the upcoming agenda for discussion.

To be clear, I am not requesting gym time for right now. Instead, I am hoping we would be able to start using the gyms in January through April. Without the use of school gyms, winter recreation programs will be cancelled, negatively impacting hundreds of children in the community. I understand that special protocols or policies may be required this year and we would comply with whatever the Board requires.

I realize this will be a difficult decision and I would be happy to provide any additional details you think would be important for the Board to have before discussion.

Thank you for your consideration and assistance,

Bob Cowper
