Congratulations! Your 2020/2021 New Jersey Schools Insurance Group (NJSIG) Safety Grant has been approved and enclosed is your grant check. Since your fall sub-fund meeting will be held virtually this year, we are mailing your district's grant check so that you will be able to start your safety projects right away!

We have enclosed a sample press release about your district's safety grant that you may want to share with your local media outlets. Your community should be aware of your district's commitment to safety!

Please also feel free to share photos of your completed safety projects with grants@njsig.org. We would love to highlight your accomplishments in our SafetyNet newsletter!

NJSIG thanks you for your continued membership. Working together, we will continue keeping dollars in New Jersey classrooms.

Sincerely,

s/ Jill Deitch
