Gutierrez	Emily	New York Comic Con	10/7/2021	New York City	New York Comic Con has multiple panels where famous pop culture writers explain their techniques in writing and how to lead effective conversations in the classroom. Going to this highly diverse convention will allow me to bring in the interest of the students and relate it to their studies. I would like to learn how to effectively use comic books and pop culture references as lenses so that my students can see the dynamic comparison of literature from the past to literature of today and how it adapts throughout time.	0
