Gerry,

The Union Rams Pop Warner Football Association wants to use our football field and facility for the league playoffs in which three of their teams will be playing on Sunday 10/20 from about 8am - 5pm. (I was told it should be shorter but times will be verified a week before.). Due to Pop Warner rules they need a facility that has bleachers on both sides of the field for opposing fans and Rabkin Field does not have what is required to host. If we can not accommodate this request they will have to play all playoff games away even though they earned home games.
