Proposal Includes:

Mental Health HEART Protocol, In School and At Home

- Student access to teletherapy services for all students through the HEART Protocol; covers all services that are non-reimbursed by a 3rd party health plan; including
 - Access to licensed mental health counselors for delivery of the comprehensive HEART Protocol for all students via In School Telehealth technology
 - Access to licensed mental health counselors for delivery of the comprehensive HEART Protocol for all students from home via phone and/or computer, and
 - Follow-up and Case Management support for all students, including: coordination for ongoing counseling or psychiatric support and 6-month check-in

Additional Components:

- All children served regardless of insurance status
- No cost to families, ever
- Additional services billed to third party payors (e.g. New Jersey Medicaid, commercial insurance, etc.) as applicable to ensure universal access and care for all students
- All Necessary Technology (iPads) + medical equipment and iPad stand needed for Hazel clinic and teletherapy setup at each school site
- Full training, onboarding, and certification of school staff to operate Hazel service
- Parent/Guardian sign-up materials, training, and support
- Reporting/Metrics (Weekly/Monthly Summaries + District Meetings)
- Dedicated Hazel support staff

- All telehealth services are preformed by Telehealth Services USA PC, Telehealth Services Northeast PC or Telehealth Services South PA
