Superintendent Gregory A. Tatum
Township of Union Public Schools
2369 Morris Avenue
Union, NJ 07083

Dear Superintendent Tatum,

I would like to thank you and the Board of Education for the permission to use the Jefferson School parking lot for our annual Trunk or Treat event. In my previous request, I failed to include two additional requests so I am writing today for the Board's consideration.

1. I would like to request the use of the Jefferson School parking lot for an inclement weather makeup date of Sunday October 27.
2. I would like to request access to the indoor restroom facilities for use during the event. We would not need access to other sections/rooms of the building and we can coordinate with the school's staff to determine which restroom facilities would be easiest to use. Having access to indoor restrooms would be valuable for those attending with small children or those who are mobility impaired.

On behalf of the Township Committee, I would like to thank you for your consideration and assistance as we continue to offer this event. If you have any questions, please contact me at rcowper@uniontownship.com or 908-686-4200.

Sincerely,

Robert Cowper
Superintendent of Recreation
